President’s message

Dear Members, Greetings from Executive Committee of KN IADVL.

I am happy to note that the next edition of DERMAPEN is ready for distribution.

As the new office took over in the month of November last year, the team rolled out several programmes for the new academic year. SARATHI - a soft skills training programme for clinic staff, whose foundation was laid last year, completed its first round across Karnataka, covering almost all regions of the state. The programme was conducted in 10 centres, catering to 311 delegates. This program was appreciated by all beneficiaries and requests have poured in from across the state for additional programs. This programme is one of its kind, conducted for the first time by an association belonging to IADVL. I thank and congratulate all those who worked for it, specially Dr. Manjunath Hulamani, for coordinating it effectively.

Another new initiative, “SETUBANDHA” – a program to connect primary care physicians and other specialists with dermatologists, was conducted with a motto of educating do’s and don’ts of treating common dermatological diseases, and timely referral of cases to nearby dermatologists. The programme emphasised the prevalence of steroid abuse and problems related to such an act. The program also showcased recent advances in the field of dermatology, so that general practitioners and other specialists can refer relevant cases to the dermatologist. The event was conducted at Kalburgi as a pilot project, and was accepted well. It will be extended to other parts of Karnataka in the coming years.

The program “MANTHAN”, aimed at training fellow dermatologists in areas of personality development, clinical practice and personal life is on the cards and will be rolled out in the coming months.

The regular programs of KN IADVL were well conducted by the respective groups. “VITILIGO RATH” was a grand success across the state and again, is one of its kind, conducted for the first time by an association belonging to IADVL. The whole KN IADVL family applauds their achievement.

Many of our members have brought laurels to KN IADVL through their publications, participation in international conferences and by assuming key positions at National IADVL. The whole KN IADVL family applauds their achievement.

I am proud and happy to share that we are hosting DERMACON 2019 in the month of January 2019, which for the first time is getting elevated to an international level, thus truly termed as DERMACON INTERNATIONAL 2019 – Bengaluru. This conference is further expected to change the way conferencing is done in India, similar to the landmark conferences of 2000 and 2009.

I take this opportunity to thank all my EC members, all committees and each and every member of KN IADVL for providing timely inputs and cooperation, for the smooth functioning of the association activities.

Jai hind Jai Karnataka

Dr. B.S. Chandrashekar - President KN IADVL

From the Editor's desk

It is a matter of delight to bring to you the next issue of Dermapen, the official bulletin of IADVL-KN, capturing all its achievements and activities in the last season.

IADVL-KN, under the able leadership of Dr. Chandrashekar B.S., has been a flagbearer of innovative programmes aimed at the interest of the members, the academics and the community.

Vitiligo Ratha, a novel and noble initiative of IADVL KN, has travelled to 227 taluks in Karnataka this year, spreading awareness about the disease. By inculcating video messages and road shows, it has created wider ripples of awareness this year.

Another flagship programme of IADVL-KN, SARATHI-a soft skills training programme for clinic staff, has been well received by the members all over the state. The event was conducted in various parts of Karnataka and witnessed an impressive turnout.

SETHUBANDHA- an integration programme with other specialists and general practitioners, was conducted with an intention to curb the menace of resistant Tinea and steroid misuse.

We thank all the district coordinators who have actively participated in the various activities and provided the inputs necessary for the Dermapen.

We request all members to update us about your individual achievements and the achievements of other members, and also the events being held by your department and sister societies.

Dr Nagesh TS
Editor, Dermapen

Dr Namitha Chathra
Assistant editor

From the Honorary General Secretary's desk

Dear Members,

The past year has been busy as usual for IADVL Karnataka. There were regular academic and community dermatology activities all through the year. The presidential programme this year had quite a few unique activities which blended well with the regular calendar of events.

We had a 2 day MIDCUTICON this year which was a blend of academics and relaxation. It was also financially enriching for the association.

Vitiligo Ratha, which is a flagship program of IADVL KN that was started last year, went one step further this year. This time, it travelled to all 227 taluk HQs of Karnataka. Road shows with video messages about vitiligo awareness was very well received by general public all over the state.

Soft skills development is an essential requirement for dermatology clinic staff. SARATHI, a soft skills development programme by IADVL KN, focussed on this requirement. IADVL members from all over the state sent their clinic and hospital staff for this program making it a grand success.

In this era of resistant tinea and steroid misuse, it is necessary to educate general practitioners and other specialties about these two public menaces. ‘SETHUBANDHA’ which is a primary connect program launched for educating general practitioners, paediatricians and gynaecologists, is the step taken by IADVL KN in this direction. This program also intends to educate other specialties about the latest advances in dermatology.

I thank President Dr Chandrashekar B.S. for introducing so many member friendly activities besides being a guiding force in all our endeavours.

I thank all the members of EC, all district, zonal and state coordinators, sister society presidents and secretaries and all members, for your cooperation in all the activities of IADVL KN. I request all of you to continue your cooperation in the future in the same zeal.

Long live IADVL

MINUTES OF MEETING

MINUTES OF COMBINED EC AND CC MEETING AT SERAI RESORT, CHIKMAGARLUR, MIDCUTICON 2018, 19/5/2018 AT 5.30 PM :

President Dr B.S. Chandrashekar welcomed the EC and CC members. Dr Manjunath, Secretary, read out his report. He highlighted membership details (962 LMs and total 1396 members).

ACAD programs were listed - O Scar at Bengaluru, Dermadvance at Bengaluru, Dermatofight at Mangaluru, Laser workshop at AIIMS, Bellur and IADVL Torrent Dermatosurgery workshop at JSSMC, Mysuru.

Upcoming programmes- IJDPD print version launched. Thousand copies sent to all LMs. Many members opined that KN branch must come out of partnership with pathologists society regarding publication.

Sarathi programme details and execution at various centres was read out by Dr Manjunath Hulmani, Joint Secretary. It was inaugurated in Mysuru and later was held in Davanagere, Hubballi and Mangaluru. Soft skills trainer Mr Subhash Hegde was appreciated for his sincere efforts in soft skills training of clinic staff.

Dr Chandrashekar, President spoke about “Manthan” programme- soft skills training for doctors. Details to be worked out by Dr Manjunath Hulmani.

Latest issue of Dermanpen and Yuvaderma were released at the conference. Legal cell established and an advocate appointed. A book on Medico legal aspects was planned to be launched soon.

Treasurer report was read out by Dr Savitha, Treasurer. Unaudited report- Rs. 1.43 crores. Dr Ramesh Bhat, President, IADVL National insisted on prompt payment of GST by KN branch to avoid notice.

Unaudited accounts of Midcuticon 2018 was explained by Dr Manjunath, Secretary. Payments were made to Serai, Hotel Aadrika and to the audio visual, stationery and mementos. Seven pharma sponsors contributed – Rs. 32 lakhs. Registrations- Rs. 13 lakhs. Total savings was around Rs. 30 lakhs.

IADVL KN ACADEMIC ACTIVITIES

IADVL SIGLA AESTHETICS WORKSHOP

Department of Dermatology, BLDE, Vijayapura, successfully organized the IADVL SIGLA AESTHETICS WORKSHOP 2018 on 17-06-2018. A total of 55 people from across the state had registered for the workshop and attended. The workshop consisted of live demonstration of the applications of Botulinum toxin, Dermal fillers and Chemical peels by Dr. Sandeep Arora, Dr. Shehnaz Arsiwala and Dr. Sowmya CS respectively. In the post lunch session, video demonstration of the applications of Dermal threads, PRP and Microneedling was done by Dr. Gulhima Arora, Dr. Swapnil Shah and Dr Shivkumar Patil respectively. This was followed by a panel discussion.

DERMABASICS 2018, MANGALORE

The department of Dermatology, Venereology & Leprosy, Yenepoya Medical College, Yenepoya (Deemed to be University) in association with Indian Association of Dermatologists, Venereologists & Leprologists (IADVL), Karnataka branch organized “DERMABASICS 2018”, an orientation program for first year postgraduates of Dermatology, Venereology & Leprosy on 5th August 2018 at Yenepoya Medical College, Deralakatte, Mangalore. The program was attended by 116 first year dermatology postgraduates from all over Karnataka.

The highlights of the program were inclusion of demonstration stations along with the conventional lectures. The first talk about research methodology, the art of synopsis and dissertation writing was delivered by Dr Vijayalakshmi S, Associate Professor of ENT, Yenepoya Medical College. Dr Michelle Fernandes, Assistant Professor, Father Muller Medical College, Mangalore gave tips to the students about conduction of a journal club. Dr Manjunatha R, Hon Secretary General of IADVL Karnataka briefly introduced the residents to the various activities of IADVL. Dr Ashwini P K, Associate Professor of Dermatology, JSS Medical College, Mysore spoke on the approach to a case of sexually transmitted disease. The important aspects of history taking in a dermatological case was discussed by Dr Sudhir Nayak, Associate Professor of Dermatology, KMC, Manipal. Dr Varsha Shetty, Assistant Professor of Dermatology, KMC, Manipal delivered a talk with video demonstrations on examination of a dermatological case. Dr Shracharith Shetty, Assistant Professor of Dermatology, KSHEMA, Mangalore delivered a lecture on the important aspects of history taking in a case of Hansen’s disease. Dr
Keshav murthy Adya, Associate Professor of Dermatology, Shri B M Patil Medical College, Bijapur, showed videos of conduction of nerve examination and demonstration of various tests in Hansen's disease. Dr Savitha A S, Assistant Professor of Dermatology, Sapthagiri Institute of Medical Sciences, Bangalore introduced the residents to the basics of dermatopathology.

The event also had six demonstration stations. Dr Amina Asfiya, Senior Resident of Dermatology and Dr Qudusia Sultana, Associate Professor of Anatomy, Yenepoya Medical College, taught the course of ulnar nerve and lymphatic drainage of external genitalia through anatomage table (technologically advanced anatomy visualization system for anatomy education) at ACTS YEN (Advanced Comprehensive Clinical Training and Simulation Centre). Dr Prashanth Kamath, Assistant Professor of Dermatology, AJIMS, Mangalore showed the various topical and systemic drugs commonly used by dermatologists, the important adverse effects and precautions to be taken while administering the drugs. Dr Malcolm Pinto, Assistant Professor of Dermatology, Yenepoya Medical College highlighted on the utility of dermoscope. Dr Kashinath Nayak, Associate Professor of Dermatology, KMC, Mangalore and Dr Deepthi D'Souza, Assistant Professor of Dermatology, KMC, Mangalore demonstrated the techniques of doing a KOH mount and Tzanck smear and its significance.

Dr. Tukaram Sori, Dr. Veeresh Dyavannavar, Dr. Vishalakshi Pandit, Dr. Vijayakumar Adavi were present. Teaching faculty from KIMS Hubli and dermatologists from Hubli, Dharwad, Koppal, Hospet and post-graduate students from KIMS Hubli, SDMCMSH Sattur Dharwad, SN Medical College Bagalkot were present. Nearly 100 delegates attended the CME.

Psychodermatology CME, Manipal

Psychodermatology 2018 – a one day national CME on psychodermatology was conducted on July 1, 2018 by the Department of Dermatology, KMC, Manipal. Dr. Shrutakirthi D Shenoi was the Organizing chairperson and Dr. Smita Prabhu, the Organizing secretary. The all India faculty comprising of dermatologists, psychiatrists as well as clinical psychologists included Dr. Tarun Narang, PGI Chandigarh; Dr. Koushik Lahiri, Kolkata; Dr. Ram Malkani, Mumbai; Dr. Sona Kakkar, Hyderabad; Dr. Sharmishtha Deshpande, Pune; Dr. Pranaya Bagade, Thiruvananthapuram and Dr. Dinesh N, Dr. Ravindra Munoli, Dr. Savitha Soman and Dr. Shweta Rai from Manipal. The CME comprehensively covered all problems faced by psychodermatologists, including roles for psychodermatology, psychotherapy and psychoanalysis in modern treatment armamentarium, patient counselling, panel discussion, case scenarios and medical management. At the end of the meeting, the foundation for Psychodermatology society of India was laid, Dr. Shrutakirthi Shenoi being the proposed president, Dr. Smita Prabhu, the secretary, and Dr. Ravindra Munoli, the treasurer. The society will be registered and be functional from 2019.

Dermatopathology CME, KMC MANIPAL

The Departments of Dermatology and Pathology, Kasturba Medical College, Manipal hosted this CME on 15th and 16th September 2018. This CME was conducted in association with SIG (Dermatopathology, IADVL) and
Karavali Dermatology Society (KDS). The organizing team comprised of Dr Sathish Pai B as the Organizing Chairman, Dr Kanthilatha Pai as the scientific chairperson, Dr Raghavendra Rao as the organizing secretary, Dr Padmapriya and Dr Sriatha P S as scientific secretaries. Dr Sudhir Nayak U K was incharge of the hospitality. A total of 253 delegates took part in this CME, which lasted for a day and a half. At the end of first day of academic feast, the delegates were entertained by a group of undergraduates and postgraduate students of KMC, Manipal, which was followed by a banquet dinner.

The main aim of this CME was to enhance knowledge and diagnostic skills in Dermatopathology for both Dermatologists and Pathologists. The eminent and expert speakers who took part in this CME were Dr Ramam M, President DSI; Dr I S Reddy, Coordinator SIG Dermatopathology, IADV; Dr Rajiv Joshi, Consultant Dermatologist and Dermatopathologist, Mumbai; Dr Venkatram Mysore, Director, Venkat Centre, Bangalore; Dr Rajalakshmi T, Professor Pathology, St John’s Medical College, Bangalore and Dr Chirag Desai, Consultant Dermatologist and Dermatopathologist, Mumbai. The main topics covered by the distinguished faculty included reaction patterns of skin, psoriasiform reaction pattern, lichenoid reaction pattern, vasculitis, panniculitis, histopathological approach to alopecias and granulomatous reaction pattern.

The unique features of this CME being slide viewing sessions of common dermatopathology cases, slide discussions with faculties, clinico-pathological case presentations and Postgraduate quiz which had a glass slide challenge as the final round.

Dr Aishwarya from KIMS, Hubli bagged the first place in PG quiz with Dr Suvedha of Madurai Medical College in the second place. The poster winners were Dr Priyanka from Bangalore Medical College and Research Institute, Dr Arun Jose from GMC Kottayam and Dr Meghana BV from KMC, Manipal in the first, second and third places respectively.

Dr. B.S. Chandrashekar (IADVL, Karnataka President) and Dr P M Biradar, chief patron of KDS. The main aim of this programme was to discuss the level of referrals, steroid abuse, and recent advances in field of dermatology, with general practitioners and other specialists. Other than the member of KDS, this programme was attended by the General physicians, Pediatricians and Gynaecologists of the city.

The activities of the programme were designed in such a way that there was healthy discussion on various common dermatological disease by various speakers followed by the interactive sessions by all the practitioners.

### Topics which were discussed by the speakers were:

<td>Dr. Balchandraankad</td>
</tr>
<tr>
<td>Advances in dermatology. Diagnostic, therapeutic, aesthetic procedures in dermatology</td>
<td>Dr. Madura.C</td>
</tr>
</tbody>
</table>

All the Post graduates and other practitioners of the city benefited from the interactive sessions.
IADVL Karnataka Vitiligo Rathayatre 2018

Indian association of Dermatologists Venereologists and Leprologists (IADVL) Karnataka Branch has organised this public awareness campaign about Vitiligo (Leukoderma or white patches). Starting from 25th June 2018, which happens to be the World Vitiligo Day, 3 road show vehicles will travel in different directions, covering all 227 Taluk HQs of Karnataka over the next 30 days.

In each of these 227 Taluk Head quarters, short videos about Vitiligo will be played at crowded locations. Pamphlets will be distributed and public interactions with dermatologists of the area will be held.

Vitiligo is a benign, non lethal skin disease. But it is associated with a plethora of problems due to public misconceptions.

Firstly, the persons suffering from vitiligo think that it is incurable, and try various fake ‘therapies’ and become desperate and depressed when these fail to cure them.

Secondly, general public look down upon vitiligo patients and treat them as untouchables. As a result, vitiligo patients are finding it difficult to have a normal social life thus aggravating their mental suffering.

Thirdly, the society has many superstitions about vitiligo deeply embedded within it.

To fight these social problems of persons suffering from vitiligo, IADVL Karnataka branch intends to achieve three important goals through this Rathayatre:

All vitiligo patients should be made aware that it is a treatable skin problem. All latest treatments available in the world are very much available in Karnataka.

General public should be made aware that Vitiligo is not a contagious disease. Society in general should be free of all the stigmas and superstitions associated with vitiligo.

With warm regards

Dr Chandrashekhar BS  Dr Manjunath R
President, IADVL Karnataka  Secretary, IADVL Karnataka

IADVL Karnataka World Vitiligo Day, 25th June 2018

Vitiligo day was observed all over Karnataka on 25th June 2018. Overall more than 40 programmes were conducted on this day throughout the state. IADVL KN flagship programme, IADVL KN Vitiligo Ratha 2018 was flagged off from 3 places simultaneously. Three vehicles travelled to all 217 taluk HQs of Karnataka in the next 30 days, displaying awareness videos and distributing pamphlets.

Bangalore:
1. Street plays about stigma in vitiligo were conducted in 3 places : Lalbagh, Orion Mall and Victoria hospital.

2. IADVL KN Vitiligo Ratha 2018 (South zone) was inaugurated. It displayed patient awareness videos at Town hall, railway station, Lalbagh, Cubbon park, Orion mall and Victoria hospital.

3. Press release was given about vitiligo day and the vitiligo ratha

4. Free consultations and discounted treatments were given at various hospitals.

Chitradurga

* Access to journals
* Easy tracking of key events & conferences
* Registration for E-Voting
* Access to Member Directory with search features
  and more...
For any support, email to : helpdesk@healthconnectdigital.com.

All IADVLites are requested to visit iadvl.org and
updated the following :
1. Sign up in the IADVL website
2. Register for e-voting
3. Update one’s profile details

**YUVADERMA**

“Tell me and I forget, teach me and I remember,
involve me and I learn” - Mr. Benjamin Franklin

“YUVADERMA” a novel initiative crafted by IADVL-KN,
the first of its kind, first by any state, a forum exclusively for
the residents of Karnataka. Yuvaderma aims at empowering
the youth in dermatology, providing them a platform to
get involved in IADVL activities from the very beginning of
their career, under the guidance of stalwarts in this field.
All the residents, through out Karnataka are encouraged in
all aspects, to get involved and learn more. This forum is
not only academic, but as an added advantage has brought
us all together as a community in dermatology.
Yuvaderma E-bulletin was started under Yuvaderma
by IADVL KN in 2015. It is a bi-yearly newsletter, of the
residents, by the residents and, for the residents. Now
after 3 years and 6 editions, it stands strong, with its roots
intact and branches spread out, and is setting an example
to other state branches under IADVL.
This year has been very fruitful for Yuvaderma, as
its popularity has reached its peak. There are various
activities conducted by Yuvaderma under the guidance of
present IADVL – EC members, a special mention to Dr B. S.
Chandrashekar and Dr Manjunatha R, who have been very
encouraging and supportive. Yuvaderma resident’s poll
has been conducted successfully through-out Karnataka
and two new sections have been added in the Yuvaderma
E bulletin, a Kannada section and a nonacademic part.
For better coordination and involvement, a postgraduate
representative has been selected from every medical
colleges in Karnataka, they are equally involved in various
activities by Yuvaderma. Yuvaderma is also looking forward
to introduce IADVL KN Facebook page, where all the
residents, teachers and private practitioners will be under
one roof, this would be released during CUTICON 2018,
Mysore.
The most novel activity being introduced this year is the
“Resident’s session”, which is going to be conducted during
CUTICON 2018, Mysore. This will be a 1-hour resident-
oriented session with best thesis award presentation,
release of Facebook page and an extensive panel discussion
by distinguished and renowned dermatologists on various
topics related to residency and post-residency. We have
many more activities lined up for the next few months too.
“Sky is the limit”, is what we believe in, at Yuvaderma.
There are many respected teachers and residents who
have been behind the success story of Yuvaderma. We would like to take this opportunity, and thank each and every person who have helped us, guided us, supported us and have provided us all that we needed, to create a forum, in order to voice the thoughts of budding dermatologists.
Long live Yuvaderma, Long live IADVL – KN.
