BODY SHOP 360 With Butterfly Extension

Assembly Instructions

IMPORTANT! Read all instructions carefully before beginning assembly.

Your Body Shop 360 is packaged partially assembled. Final assembly is easily completed.

1. Remove Body Shop from carton. Do not throw carton away until assembly is complete and all parts are accounted for.
2. Attach Square Rubber Caps (2) and Open-Ended Rubber Caps (35) to Body Shop Frame (1A).
3. Insert the Foot Rest Shaft (5) through the Shaft Tube and slide the Foot Rests (4) on either side. Attach the Washer and Nuts (7) and tighten.
4. Attach Bench L-Bar (8) to the front of the Body Shop by inserting the protruding arm into the Body Shop frame tube and tightening the Thumb Screw (11).
5. Remove the Bolt (9) from the Chrome Rowing Bar (14) and slide the Rowing Seat (12) on.
6. Attach the T-Frame Support Bar (17) underneath the Chrome Rowing Bar (14) and screw in the Bolt (14A).
7. Push the Rowing Seat all the way back on the Chrome Rowing Bar. Insert the Chrome Rowing Bar and T-Frame Support Bar into the Chrome Bar Bracket (19) and the frame tube respectively. Replace the Bolt (9) on the Chrome Rowing Bar.
8. Slide the Bench (10) onto the Bench L-Bar (8).
9. Make sure all nuts and bolts have been tightened before using the Body Shop.

For proper exercise form, training program guidelines, and directions for use in the Butterfly Extension Mode, see the Owner's Manual.
