EXPLODED DRAWING A

Model No. FMEX82414.0 R0415A

106

This exploded perspective view illustrates the assembly of a vehicle interior component, likely a center console or armrest. The diagram shows the following components and their assembly relationships:

- 106:** A rectangular panel or cover at the top left.
- 119:** A large rectangular frame or housing at the top right.
- 137, 126, 128:** A small rectangular component with internal structure, positioned below 119.
- 121, 130:** A rectangular component with a central opening, positioned below 137.
- 133, 115, 130, 127, 123, 126, 134, 129, 122, 136, 127, 130, 116, 132, 135:** A complex assembly of small pins, clips, and structural elements located in the center-right area.
- 118, 124, 125, 117, 120, 114:** A large rectangular panel with a central opening and internal structure, positioned on the left side.
- 56:** A small rectangular component located between 118 and 121.
- 99:** A small, curved component located in the center.
- 49, 105, 98:** A small component with a central opening, located below 99.
- 111:** A large, curved, and complex structural component that forms the main body of the assembly, located in the center and bottom.
- 57:** A small, curved component located above 111.
- 54, 58, 55, 56, 59:** A series of small components and pins located along the bottom edge of the main body.
- 100, 101, 102, 103, 65:** A series of small components and pins located along the right edge of the main body.

Dashed lines indicate the assembly path and alignment of the components.
