

This technical drawing is an exploded view of a vehicle interior trim assembly, likely for a dashboard or door panel. It shows the main structural components and various decorative or functional elements that attach to them. The assembly includes a central panel (115) with a perforated section (45), side rails (42, 44), and a lower trim piece (60). Numerous fasteners, including screws (e.g., 2, 14, 23, 37, 46, 59) and bolts (e.g., 10, 12, 20, 21, 24, 30, 34), are shown in their respective assembly positions. Decorative elements include circular air vents (35, 39), rectangular trim pieces (43, 46, 47, 54, 55), and a large cylindrical component (54). The diagram uses dashed lines to indicate the alignment and assembly path for each part.
