

EXPLODED DRAWING—Model No. WLT41570

R0797A

This exploded drawing illustrates the assembly of Model No. WLT41570. The main components include a control panel (14, 15, 16, 17, 18*), a motor (12), a frame (50), and various structural parts (1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 13, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98). The drawing shows the assembly sequence and the relative positions of the parts, with dashed lines indicating the path of assembly. The control panel (14) is shown with a display and buttons. The motor (12) is shown with its mounting bracket. The frame (50) is the main structural component. The exploded view shows the relationship between the control panel, the motor, the frame, and the various structural parts. The drawing is a technical illustration used for assembly and repair purposes.
