

TC98006 Console

This exploded view diagram illustrates the assembly of the TC98006 Console. The components are labeled as follows:

- Top Panel (N14):** The main upper housing, featuring a control panel with buttons and a display area.
- Internal Electronics (CO5):** The central console unit containing various electronic components.
- Base Plate (N15):** A mounting plate for the internal electronics.
- Control Panel (N01):** The lower front panel with a steering wheel (N04) and a pedal (N05).
- Internal Components:**
 - JY01:** A printed circuit board (PCB) with various electronic components.
 - P17:** A component, likely a power supply or regulator.
 - N57:** A component, likely a capacitor or resistor.
 - P11:** A component, likely a power supply or regulator.
 - D03:** A component, likely a diode or transistor.
 - P06:** A component, likely a power supply or regulator.
 - N61:** A component, likely a capacitor or resistor.
 - N65:** A component, likely a capacitor or resistor.
 - N57:** A component, likely a capacitor or resistor.
 - T06:** A component, likely a transistor or diode.
 - N13:** A component, likely a capacitor or resistor.
 - N35:** A component, likely a capacitor or resistor.
 - T06:** A component, likely a transistor or diode.
 - AT1:** A component, likely a transistor or diode.
 - N34:** A component, likely a capacitor or resistor.
 - N04:** A steering wheel.
 - N05:** A pedal.
 - N62:** A component, likely a capacitor or resistor.
 - N63:** A component, likely a capacitor or resistor.
 - N66:** A component, likely a capacitor or resistor.
 - N80:** A component, likely a capacitor or resistor.
 - N09:** A component, likely a capacitor or resistor.
 - N10:** A component, likely a capacitor or resistor.
 - AG2:** A component, likely a capacitor or resistor.
 - P05:** A component, likely a power supply or regulator.
 - D01:** A component, likely a diode or transistor.
 - D02:** A component, likely a diode or transistor.
 - D04:** A component, likely a diode or transistor.
 - D05:** A component, likely a diode or transistor.
 - HP5:** A component, likely a capacitor or resistor.
 - V22:** A component, likely a capacitor or resistor.
 - N54:** A component, likely a capacitor or resistor.
 - N51:** A component, likely a capacitor or resistor.
