

# CSEP Phase 1.0 : Wrap-up Discussion

Moderator: Philip J. Maechling,  
Scribe: Fabio Silva

# *CSEP Phase 1 : Wrapping Up*

**CSEP Operations began in August 2007 and continues in September 2017 and CSEP archives now contains one full decade of prospective earthquake forecasts and results:**

## **Requested a Brainstorming session:**

- 1. What are the most notable CSEP achievements thus far (worth publishing/publicizing)**
- 2. What further opportunities with available data**
- 3. Proposed action plan for further analysis, curation, distribution**
- 4. Proposed Dissemination/publication plan**
  - Target Topics**
  - Target Journals**
