Letter to Parents

Dear Parents,

Your role as Catholic parents¹ is surely one of the most sacred, challenging and wonderful vocations that the Lord entrusts to His people. You brought your child² to be baptized thus providing the opportunity to begin life as a disciple of Jesus in the Church. As your child grows, you continue to nurture that spiritual life. You enable your child to live joyously in the Love of God made tangible by your own goodness and love. In the intimacy of family relationships, you teach the Catholic faith to your child every day by what you say and do – a profound and irreplaceable witness.

We in *PREP* have also been given a sacred role by the Lord – that of Catechist for your child. We welcome the opportunity to assist you in teaching your child to walk in the ways of faith. We pledge all the resources of our program to helping your child come to know and better understand the person of Jesus Christ who so loves him/her. We pledge to do all we can to help you instill Catholic beliefs and values, so that your child may live in the joy of being Jesus' disciple.

Our experience has shown us that this is most effectively accomplished when the family and the parish work together. The *parents* place Jesus Christ and His teachings at the center of their family life –through Sunday Mass, family prayer, and daily life as disciples of Jesus. *PREP* teaches the Catholic life which the child is living at home and experiencing in the Parish. The *Parish* supports and nurtures the parents and provides a “home-place” for the families who choose the Catholic way of life in a world that is increasingly lost without God and in need of the Truth that is Jesus.

IS JESUS THE CENTER OF YOUR FAMILY?

If Jesus is going to be the center of your family, you need to participate at Sunday Mass, practice daily family prayer to help your children make good choices, based on what Jesus would do. Participation at Sunday Mass with your children is an essential part of their religious education.

We look forward to working with you in sharing Catholic Christian values with your children. Let's pray for and support each other in this most sacred mission of instilling these values in our children who need them so much in today's world. May the Heart of Jesus be the center of your family; may the Blessed Mother, our patron, bless you and your family!

Rev. Anthony D. Sorgie

Pastor

Sr. Cora Lombardo, ASCJ

Director of Religious Education

¹ For the sake of brevity, the word “parent” will be used to indicate the child's primary caretaker, whether parent or guardian.

² For the sake of brevity, the word “child” will be used to indicate children and youth up to 8th grade.

1. Purpose and Overview of Parish Religious Education Program

The purpose of *PREP* is to assist parents in the sacred responsibility entrusted to them at their child's Baptism: to form and educate their children to become disciples of Jesus in the Catholic faith. **An integral part of a true Catholic home life is the child's attendance at Mass every Sunday and on the Holy Days of Obligation¹.** *PREP* helps the child to understand, ever more deeply, the meaning of the Mass which the family regularly attends.

The six fundamental tasks of catechesis² which are entrusted to *PREP* by the Catholic Church are:

- To promote the knowledge of the faith,
- To give moral formation,
- To provide liturgical education,
- To teach how to pray,
- To educate for community life,
- To initiate into the missionary dimension.

The role of the Director³ of Religious Education and the Catechists is to provide intellectual enlightenment about the Catholic life which the child is already living at home and in the parish community, and to foster the child's faith development by accomplishing the fundamental tasks of catechesis in an age-appropriate way.

For every person, religious education nourishes our minds and spirits throughout our lives as we mature from childhood to adulthood into that image of Christ which God created us to become. First grade is not too soon to instill in our children the understanding that Confirmation is not the end of Religious Education. Rather it is the sacrament which brings about our spiritual maturation and opens us to life-long learning about the way of Life of Jesus' disciples in the Catholic Church.

The Religious Education Program:

An Eight-Year Sequential Program

The essential Religious Education Program is an eight-year sequence of formation beginning with grade level 1 and continuing through grade level 8. All Catholic children of the parish who are not attending Catholic schools are expected to follow this 8-year program.

PREP consists of a minimum of 30 sessions, 90 minutes long, held between September and June plus 5 hours of family catechesis.

The Archdiocesan Curriculum Guidelines

The *Archdiocesan Guidelines for Catechesis for Grades 1 through 6* and *Grades 7 and 8* ensure a uniform presentation of the faith for each grade level and outlines the content of the catechesis each child is taught at every grade level. These Guidelines are to be found on the Catechetical Office website: NYFaithformation.org. Click on *Resources* and then select *Catechetical Office Resources*.

Family Catechesis

Each family in *PREP* participates in a minimum of five hours of family catechesis offered between September and August. The Cardinal has directed all Religious Education Programs of the Archdiocese to offer this opportunity to its families in order to better assist and work with parents in forming their children in the Catholic faith.

Family Catechesis occurs at the *PREP* Open House, the Family Faith Festivals and the Stations of the Cross.

Religious Education for Children with Disabilities

Because of a disability, a child may require an individualized program of instruction. This may be done in a small group, in a one-on-one setting or as part of the regular *PREP* session but with a personal assistant. In consultation with the parent, the Director and Catechist will design an approach to Religious Education that addresses the child's needs.

¹ There are 6 Holy Days of Obligation (days when, in addition to Sunday, Catholics are required to attend Mass):

1. Nov. 1 – All Saints Day
2. Dec. 8: The Immaculate Conception
3. Dec. 25 – Christmas
4. Aug. 15 – the Assumption
5. Jan. 1 – Mary the Mother of God
6. 40 days after Easter: The Ascension

² Catechesis is a Greek word used by Christians from the earliest centuries of the Church. It means Religious Instruction and Formation in the faith.

³ For the sake of brevity, the title "Director" will be used to indicate both the Director and the Coordinator of Religious Education.

Preparation for the Reception of the Sacraments

Preparation for the reception of the Sacraments (i.e. first reception of the Eucharist and of Penance (Reconciliation) and Confirmation) is an integral part of the 8-year parish Religious Education Program. Each year, the child is taught in age-appropriate ways more about the meaning and importance of the sacraments for his/her life.

- In order to receive the Sacrament of Penance and First Communion, the child must have completed the first year of *PREP* and be currently enrolled in the second year.
- Confirmation is received after the completion of the eighth year curriculum when the child has fulfilled all grade level requirements.

For each Sacrament, the parish program provides an immediate preparation with a strong family dimension and which helps the child prepare spiritually to receive the Sacrament. This immediate preparation is required to receive the Sacrament in addition to *PREP* sessions.

The immediate preparation program for each Sacrament consists in:

- Parent sessions particular to the Sacrament being received,
- A Day of Prayer for the child and family centered on the Sacrament being received,
- Information regarding these and rehearsals for the reception of the Sacrament may be found in the *PREP* calendar.

Preparation for Sacraments for Children Who Have Disabilities

The parish also offers sacramental preparation for children with disabilities. The parent should call the *PREP* Office for more information and to register.

Responsibilities of Parents in regard to the Religious Education Program

Parents have the primary and sacred responsibility to form their children in the Catholic faith and they do so in the following ways:

- Teaching their child to live a moral life according to the values and teachings of Jesus Christ and the teachings, laws and norms of the Catholic Church, realizing that the primary way parents teach this is by living it themselves;

- **Attending Mass each Sunday with their child, thus instilling in them the conviction that weekly Mass attendance is essential to being a Catholic;**
- Participating fully with their child in the parent preparation for the first reception of Penance, for First Communion, and for Confirmation.
- Ensuring that their child receives the Sacrament of Penance at least once a year;
- Preparing their child for participation in *PREP* by fostering an openness and positive attitude toward the religious education which the child will be receiving;
- Fulfilling the requirements outlined in the Parent Handbook;
- Ensuring that their child arrives on time for the *PREP* session each week;
- Participating in their child's faith formation by making use of the parent/family materials and the *Archdiocesan Guidelines for Catechesis*;
- Praying at home with the child, including the prayers to be memorized;
- Assisting their child with assigned at-home activities as needed.
- Attending the 5 hours a year of family catechesis given by *PREP*.

Responsibilities of the Child enrolled in the Parish Religious Education Program

The obligations of children enrolled in the Program are:

- Living a moral life that reflects the values and teachings of Jesus Christ;
- Participating in the Parish Mass each Sunday;
- receiving the Sacrament of Penance at least once a year;
- Following the teachings, laws, and norms of the Catholic Church;
- Attending the weekly *PREP* Sessions;
- Arriving on time each week for *PREP* Session;
- Being well-prepared for each *PREP* session by having all assigned home projects completed satisfactorily;
- Memorizing all required prayers;
- Participating in class discussions and activities;
- Being attentive and respectful during sessions;
- Performing satisfactorily on assessments of the material taught in the sessions;
- Fulfilling all requirements of *PREP* including appropriate dress.

2. Registration and Placement

PREP offers religious education to all Catholic children who do not receive it in their school and whose families are enrolled in the parish as parishioners. When space allows, the Director may also try to accommodate in the program children whose families are registered in another parish, with the permission of both Pastors.

There is no discrimination on the basis of race, gender, national origin, disability conditions or family background.

Registration Procedure

Every parent must register their child for the Religious Education program every year. The registration procedure is as follows:

- Register the child for *PREP* within time period specified by the parish.
- Complete *Child Information Record* (Here after the *PREP Registration Form*.) and medical forms as needed and submit them to Director of Religious Education
- If the child is new to the parish, present the Baptismal Certificate; the Director will make a copy to be kept with the child's *PREP Registration Form* and return original to the parent.
- Speak with the Director about any special needs the child has which could affect the child's learning and well-being in *PREP* sessions.
- Arrange with the Director of Religious Education the payment of the registration fee according to the *PREP* fee chart and schedule and the needs of the family.

Registration Fees

- \$300.00 for 1st Child
- \$375.00 for 2 Children
- \$400 for 3 Children or more
- \$100 Each child celebrating 1st Communion
- \$100 Each child celebrating Confirmation
- \$150 additional Non-Parishioner Family Fee
- \$50 Late Fee
- \$20 Change of Session Fee

No child will be refused participation in *PREP* because of inability to pay the registration fee. Parents for whom the fee would cause a severe financial burden should contact the Director to discuss a reduction or a waiver. If a family cannot pay the fee in full at registration, a payment plan may be drawn up by the Director and the parent to be submitted to the Pastor.

A child's textbook is included in the registration fee.

If lost or misplaced, a fee of \$ 25 will be charged for a new book. Parent must contact the *PREP* Office.

Child's Placement in Religious Education Sessions

The final decision for each child's placement in the Religious Education Program sessions is made by the Director of Religious Education.

For any child who has physical, mental or emotional disabilities, the Director in consultation with the parent will determine a program of religious education to effectively address these needs.

Any child who leaves *PREP* (e.g. after receiving First Communion) and subsequently returns, will upon re-entering the program, be required to complete the curriculum of the grade levels missed using an assessment based on the *Archdiocese Curriculum Guidelines*.

For a child who is in third grade or older and has not had formal religious education, the Director will determine the most appropriate and effective way for the child to be taught the content of the faith, using the *Archdiocesan Curriculum Guidelines* as the norm.

Repetition of Grade Level

Repetition of Grade Level means that the child must repeat the grade level or the year's curriculum. Great care should be taken in the home as well as in the program to help the child realize that repetition of the year's curriculum is not a punishment but rather a means to help the child be as successful as possible. The reasons for repetition of grade level are as follows:

1. Excessive absence: after 3 absences the parent will receive an official notification of the child's absences and a request for a parent conference. If the absences continue beyond 5, this is grounds for retention. (See also section on "Absences.")

2. Poor performance: if the child does poorly when assessed on the content of the textbook and the *Archdiocesan Guidelines for Catechesis*, remedial work will be required and organized by the Director. If the remedial work is not sufficient to enable the child to grasp the content, repetition of the grade level may be the best solution.

3. Excessive lateness: after 3 occurrences of late arrival, the parent will receive an official notification and a request for a parent conference. If the late arrivals continue beyond 6 occurrences, this is grounds for repetition of grade level.

Transfer to Another Program

When a parent must withdraw a child from the program, the parent should immediately inform the Director. The Director will send a copy of the child's permanent record to the Religious Education Program to which the child is transferring.

3. Arrival, Lateness and Absences

Parents assume full responsibility for the transportation of their children to and from the parish site where *PREP* sessions take place.

Arrival *PREP* Sessions take place at the following times:

- Tuesdays from 4:15-5:30 PM
- Wednesdays from 4:15-5:30 PM
- Wednesdays from 6:45-8:00 PM

Supervision of the children will be provided beginning at 4:00 PM for the 4:15 PM Session and at 6:30 PM for the 6:45 PM Session.

No child should be on the parish premises before this time unless accompanied by an authorized adult.

On arriving for *PREP*, the parent brings the child directly to the Cafeteria.

Tuesday and Wednesday 4:15 PM Session:

- 4:00 PM Cafeteria doors open;
- 4:10 PM Arrival; 4:15 PM Class starts.
- 4:20 PM Cafeteria doors close.
- After 4:20 PM → Main School Entrance, ring bell, escort your child to *PREP* Office and sign them in.

Wednesday 6:45 PM Session:

- 6:30 PM Cafeteria doors open;
- 6:40 PM Arrival; 6:45 PM Class start.
- 6:50 PM Cafeteria doors close.
- After 6:50 PM → Main School Entrance, ring bell, escort your child to *PREP* Office and sign them in.

Parents of children in Grade 1-3 must escort their child to their classroom or into the Cafeteria.

Lateness

Punctuality is essential. Children who arrive late not only miss important information but also disrupt the entire *PREP* session. **The child should arrive 15 to 10 minutes before the program begins.**

- If the child arrives late, he/she reports to the *PREP* Office and from there will be brought to the session.
- If the child arrives late for *PREP* sessions more than **3 times** during the year, this will result in required attendance at additional sessions to make-up material missed.
- If the child arrives late more than **6 times** in the year, this can result in repeating the year. These make-up sessions will be determined by the Director.

Absences

The child's regular attendance at the *PREP* sessions is very important to his/her whole life. **These 30 sessions should take priority over all other after-school or weekend programs and activities.**

- **Three absences** will necessitate a conference between the Director and the parent.
- **Four absences** will result in the child having to make up the sessions. The number of make-up sessions will be determined by the Director and will be based on the number necessary for the child to be adequately taught the content of the textbook and the *Archdiocesan Guidelines* for his/her grade level.
- **Six absences** may result in the repetition of the grade level.
- In the case of a long-term illness confirmed by a doctor's report, the Director and parent should make arrangements for religious education at home.

Notification Procedure for Absence

When a child is to be absent from a program session, the parent **MUST** give the Director **notification before *PREP* begins**. This should be done preferably in writing but a phone call is acceptable.

If the parent has been unable to send a written communication before the absence, it must be given to *PREP* Office **no later than the following week**. It must specify the date and reason for the absence and be signed by the parent.

If the child is absent and the Director has not received previous notification, the Director will alert the parent:

1. By a **telephone call** as soon as attendance is taken.
2. If the parent cannot be reached by phone, an **email** and/or text message will be sent.
3. If the parent does not respond immediately, the Director will call the person designated as **parent substitute** on the *PREP Registration Form* submitted at Registration.

Dismissal of an Individual before the End of the Day's Session

If your child needs to be dismissed early, the request for this early dismissal should be given to the Director in writing by the parent **prior** to the scheduled session. This request should include:

- The **name** of the person picking up the child,
- The designated **date** and **time**,
- The **reason** and the **signature** of the parent.

The parent must come to the *PREP* Office to pick up and sign out the child. The Director or appropriate adult will go to the session and walk the child out to meet the parent. For security reasons, the parent may not go directly to the session area. Early dismissal from *PREP* sessions should only be requested for a serious reason and is highly discouraged.

4. Dismissal

At the end of the *PREP* session every child is released to the care of their parent or parent substitute. The parent substitute must be the person designated in writing at registration on the ***PREP Registration Form***. If someone other than the parent or parent substitute is to pick up the child on a given day, this change should be given in writing to the Director prior to the session in question.

- A child will not be released to anyone under age 18.
- A child will not be released to someone who appears to be under the influence of alcohol or drugs.
- The staff of *PREP* are not allowed to drive or walk children home.
- The Director should be informed in writing by the custodial parent of the rights of the non-custodial parent as these pertain to the child's participation in the program as well as to the child's release from the program. A copy of the appropriate section of the custody papers should be attached to the written statement.

The Wednesday 4:15 PM Session:

- Cafeteria doors open at 5:30 PM for parents to pick up their children. Winter weather? Doors open at 5:20 PM.
- Dismissal will occur once ALL classes are present and after the closing prayer and announcements.

The Wednesday 6:45 PM Session:

- Cafeteria doors open at 8:00 PM for parents to pick up their children. Winter weather? Doors open at 7:50 PM.
- Dismissal will occur once ALL classes are present and after the closing prayer and announcements.

No child may remain on the parish premises after *PREP* ends because supervision is not provided. The parent must instruct the child to report to the Director in the unforeseen event of not being picked up on time.

Early Dismissal of the Program

PREP will not have an early dismissal unless it is necessitated by an emergency. Parents will be notified of the emergency closure of the program. (See section on *Communication with Parents: Emergency Cancellations of Program*)

5. Communication with Parents

Emergency Cancellations of Program

- If *PREP* sessions are to be cancelled due to inclement weather or any other emergency, a text message will be sent to the parent to indicate this.
- In an emergency situation, the children will be taken to the Lower Church, a supervised "safe place" where parents can pick them up. The parent or designated person will pick up the child from the child's catechist. The Director of Religious Education will stay until all of the children have been picked up.
- Parents must have in place an emergency plan for those times when *PREP* must be cancelled due to weather.

Postponements and Rescheduled Events

If *PREP* sponsored parent meetings or other events must be cancelled due to inclement weather or any other emergency, a text message will be sent to the parent.

Written Communication to Parents

All individual written communications to parents will come from the Director in the following manner: Email or Flocknotes, the Bulletin and/or mailed letters

Rights of Non-custodial Parent

The Director should be informed in writing by the custodial parent of the rights of the non-custodial parent to receive duplicate sets of progress reports, invitations to *PREP* events, notices, calendars, etc. as these pertain to the child's participation in the program. A copy of the appropriate section of the custody papers should be attached to the written statement.

Individual Meetings with Catechists

All communication between parent and Catechist regarding the faith formation or behavior of a child should be approved and arranged by the Director. Parents should not phone the Catechist.

A Catechist may keep a child after the program session for reasons such as additional instruction, misbehavior, excessive absence or lateness but this can only take place with the permission of the parent and it must be organized by the Director.

Use of Social Networking Sites by Religious Education Program

Regarding the use of Social Networking

Sites and all other electronic communication, the parish Religious Education Program follows the directives published by the Archdiocesan Safe-Environment Office (Nyfaith-formation.org – Safe Environment Resources – Facebook and Child Protection). These include the following:

- **There may be no private direct communication with a minor. All communications must be through parents.**
- There may be no photographs or videos of minors posted without the written permission of the parent.
- There may be no photographs or videos of religious education personnel posted without the individual's written permission.
- With regard to a group photo or video, written permission must be given for every person in the photo/video.
- There may be no contact information, or other personal information, of a minor or of religious education personnel posted without the written permission of the parent or Catechist/Director.

The written permission for all the above must be given directly to the Religious Education Director.

Cell Phones' use and other electronic devices by the child is not permitted during *PREP* unless this is directed by the Catechist as part of the educational process. Cell phones brought into *PREP* must be turned off. Children in need of contacting a parent must ask the Catechist's permission to go to the *PREP* Office to place the call.

6. Home Actions Essential to PREP

At-Home Activities

At-home activities reinforce learning and provide opportunities for independent study and creative thinking. They are an effective way for the child to internalize the religious education he/she has received so that it becomes "faith formation." The parents can help their children by arranging a quiet, comfortable place for them to complete these assignments and by encouraging and helping the child as needed.

The parent is strongly urged to participate in the online parent dimension of the child's religious formation which is provided by Sadlier at www.sadlier.com/religion/family-center. Parents are expected to register on **formed.org**, using the Parish Code, **W8YK28**, to enable them to view weekly age appropriate videos to deepen the child's understanding of the Faith.

Prayer at Home with the Child

The parent is the primary educator of the child in our faith and one of the most important ways to fulfill this responsibility is by praying with the child every day. Some important prayer practices to be done in the Catholic home are:

- Grace before meals,
- Prayers at the child's bedtime,
- Blessing the child in the morning before leaving for school by tracing the cross on the forehead and saying with the child the prayer to his/her guardian angel,
- The family rosary prayed together regularly,
- Pictures and statues of Jesus and Mary in the home,
- A family bible kept in a place of honor, with a passage or story read from it regularly,
- Praying with the child.

Mass Attendance and the Sacramental Life

Children learn to live as Catholics above all by experiencing their parents living as Catholics. **Regular weekly participation at Sunday Mass is essential to being a practicing Catholic.**

Therefore, doing this together as a family is one of the most powerful ways in which the parent can form the child in the faith. Catholic living also includes regular reception of the Sacrament of Penance and the parent should insure that the child does so from an early age.

PREP explains to the children the meaning of the Catholic life of faith that they are living at home and experiencing in the parish community.

7. Components of PREP

Assessment

Assessment of the faith formation taking place in the child is done in order to facilitate further growth. However, it is important to be aware that the child's faith, love for the Lord, moral living and commitment to the Church is not being assessed. What is being assessed is the child's grasp of the knowledge that has been taught in *PREP*.

Each child is expected to master the contents of the textbook and the *Archdiocesan Guidelines for Catechesis* at the grade level in which he/she is enrolled. The child will be given regular assessments based on the textbook lessons and on the *Archdiocesan Curriculum Guidelines*. The results of the assessments will be given to the parent.

If the individual child needs additional help in learning and better understanding the concepts assessed, the Director will consult with the parents and the Catechist before deciding how this should be provided.

Progress Reports

Progress reports reflect the child performance in the religious education setting, that is:

- Attendance at sessions,
- Participation in the sessions,
- Behavior and attitude during the sessions,
- Quality of at-home assignments,
- Memorization,
- Grasp of the content taught.

FIRST PERIOD COMMENTS: _____

SECOND PERIOD COMMENTS: _____

CATECHIST: _____ PARENT: _____

Approved: _____ Catechist: _____

Director of Religious Education: _____

Catechists prepare a progress report for each child twice yearly: in January and in May. These reports are emailed directly to the parent. A parent may request a conference with the catechist to discuss the child's growing knowledge and understanding of the faith.

Permanent Record

A *Permanent Record* is kept in the Religious Education file for each child. It records the child's successful completion of each grade level. If a child must transfer to another Religious Education program, a copy of this *Permanent Record* is sent to the Director of the new Program.

Dress Code

Children are required to wear modest clothing which reflects the dignity of *PREP* in which they are participating. The exercise of good taste and proper, reasonable judgment on the part of the parent in overseeing the child's choice of clothing, in itself, provides effective formation for the child.

Not to be worn:

- Tank tops, halter tops, short skirts or shorts, bare midriffs, blouses with spaghetti straps, pajama-like pants (flannels).
- Clothing that is torn, worn below the waist, clothing that bears obscene or inappropriate messages, high heeled shoes, shoes with cleats, flip-flops.

With the approval of the Pastor, the Director has the final authority to determine the appropriateness or inappropriateness of the clothing worn.

If a child violates the policy, the child is removed from the session and the parent is immediately called. The parent must bring alternative clothes for the child to change into so that he/she may return to the *PREP* session.

As a reminder, once entering the building, hats must be removed.

8. Food

No food is allowed during *PREP* for the following reasons:

- Some children have medical restrictions or allergies to certain foods or ingredients;
- The 30 sessions a year is already a very limited time allotment for the important work of imparting the faith to the children.

If a child has snacks after school and before the session begins, these must be eaten before the child arrives at the program.

Parties are not held during *PREP* sessions.

9. Behavior Management

Catechists use behavior management (or “discipline”) appropriate to an educational environment as a necessary means for *PREP* to accomplish its goals. The purpose of behavior management is to help the children develop self-control, self-respect, respect for others, and reverence for the Word of God which is being explained to them in these sessions.

Several infractions of rules of conduct will result in a call by the Director to the child's parent in which the Director will describe the situation and work out a solution with the parent. If the infractions continue, the Director will organize a conference with the parent, the Catechist, the Director and the Pastor.

PREP reserves to the Director, under the authority of the Pastor, the right to remove a child from the group session, either temporarily or permanently:

- **If the child's behavior is seriously inhibiting the learning of others in the group;**
- **If the child's behavior is seriously inhibiting the safety or well-being of others in the group;**
- If temporary removal is used as a disciplinary measure for serious and persistent disruptive behavior.

Bullying and Cyber-bullying

Bullying includes but is not limited to: threatening physical harm, verbal abuse, intimidation, cyber-bullying. The Archdiocesan policy against bullying is followed. This policy states:

- A safe and civil environment is necessary for children to learn and achieve Christian value. Harassment, intimidation, bullying, cyber-bullying (using technology to bully such as but not limited to: posting an inappropriate picture of a child on the Internet) and other violent behaviors will not be tolerated in *PREP*.
- Any child who engages in this behavior may be asked to leave the religious education environment if this is seen to be in the best interest of the rest of the religious education community.

Vandalism

Vandalism, i.e. willfully damaging or destroying property, will not be tolerated. Vandalism must be paid for by the parent of the child who did it.

Accidental damage should be immediately reported to the Director.

Unacceptable Behavior

The following types of behavior are not allowed during the Religious Education Program.

Infractions which call for discipline by the Catechist are:

1. Acting in a **disrespectful** manner toward the Catechist, other adults or children in the program,
2. Speaking and interacting with other children **inappropriately** during the session,
3. Leaving a session **without permission**,
4. Using a **cell phone** during the session when not authorized by the Catechist,
5. Doing something other than the work of the session,
6. Violating the **dress code**,
7. **Eating** in the *PREP* session.

Persistence in any of these behaviors after several corrective measures have been taken will place this behavior in the category below.

Infractions which call for immediate action by the Director and Pastor are:

1. Possession of and /or trafficking in **alcohol** or other **drugs**,
2. **Leaving** the *PREP* premises when child is supposed to be attending the session,
3. Willful **defiance** of authority,
4. Possession of **weapons**, such as knives, guns, or look-alikes,
5. Physical assault/**fighting**, threatening bodily harm
6. **Harassment** and intimidation of other children,
7. **Vandalism**, arson,
8. **Theft**, extortion
9. **Cheating**,
10. **Abusive** or vulgar language,
11. **Defacing** or damaging of parish property, vandalism, arson
12. **Bullying**/cyber-bullying.

Persistence in any of these behaviors after corrective measures have been taken can result in the removal of the child from *PREP* sessions, either temporarily or permanently, depending on the recommendation of the Director and the decision of the Pastor.

10. Medication and Medical Emergency

Medication

No medication of any kind (whether prescription or over-the-counter) will be administered to, or taken by, any child during *PREP*.

In the event that a child has a condition for which emergency medication may be necessary, the parent must provide a written request and directives to the Religious Education Director.

Any emergency medication/medical device to be administered during the program according to the above directives must be brought by the parent to the Religious Education Office and should be administered there.

Medical Condition of Child

The parent should inform the Director about any child who has special medication needs, a medical condition which could flare up in the session, or a medical condition which could affect the teaching/learning environment (e.g. allergies, asthma, auditory or visual impairment, possibility of seizures, learning disability, hyperactivity, attention deficit disorder, need for the epi-pen). This information is strictly confidential and will be used with the utmost discretion. The Director will ensure that the Catechist is informed.

A course of action in case of a flare-up is determined by the parent at the time of registration and put in writing.

The ***PREP Registration Form***, completed by the parent at registration, contains the names and contact information for the people who must be contacted in case of emergency.

Medical Emergency Information

In the case of any medical emergency, 911 will immediately be called without exception.

The *PREP Registration Form* along with appropriate Medical Forms is filled out by the parent and kept on file in the *PREP* Office. The parent must be careful to keep the information in these forms current. Any changes to the forms are made in writing and signed by the parent.

11. Safe Environment

Archdiocesan

Children Protection Policy

The *Archdiocese of New York* and *Immaculate Conception and*

Assumption of Our Lady Parish are committed to ensuring the personal safety of all children in *PREP*. Therefore, the parish and its Religious Education Program follow all the policies, directives and requirements of the Archdiocesan Safe Environment Office. These policies and programs are to be found on the Safe Environment web page which can be accessed through the Archdiocesan web site (*Archny.org*) and the Catechetical Office web site (*nyfaithformation.org*)

Safe Environment Training and Possibility for Parent Opt-Out

Beginning this year, *PREP* provides to each child the curriculum entitled *Right, Safe and Good Relationships* following the lesson plans provided by the Archdiocesan Safe Environment Office. (See Safe Environment Web site: Children's Curriculum.)

The dates for this training will be emailed to you several weeks before the lessons are taught. Parents have the option to exempt their child from any session of the Safe Environment Training.

If the Parent chooses to do so, they must complete and sign the *Parent Opt-Out Form* which they secure from the Religious Education Office.

Visits to Religious Education Program by Unauthorized Persons

For security reasons, no unauthorized persons are allowed in the area where *PREP* sessions are taking place. Even parents and other family members may only go to the Religious Education Office until the program sessions are completed and the children are dismissed to the care of their parents.

Thank you ...for entrusting your precious child to us and for sharing your responsibility of bringing her/him closer to the Heart of Jesus. Let us pray together, work together and witness together our own deep love of Jesus. Doing this we become Apostles of the Heart of Jesus and fulfill our call.
