Today’s men’s conference, “Pilgrims Anchored in the Hope of Christ” is intended as a sacred invitation for you men to gather as fellow pilgrim travelers, seeking strength and renewal in Jesus’ promises.

United by the challenges and joys of each of our faith journeys, you will be encouraged and challenged to fix your eyes on Christ, letting His steadfast hope be the anchor in every storm, and every cross of life.

Through worship, reflection, and honest fellowship, you are called to trust deeply in the Lord—to walk humbly, stand firm, and let God’s hope shape your steps each day. Embrace the daily challenge to be the best man you can be for your families, friends and all who you encounter.
