

St. Ignatius After School Enrichment Program 2020

St. Ignatius
After School Enrichment Program 2020

Dear Students and Parents:

Welcome to the St. Ignatius After School Enrichment Program! The courses outlined in this booklet are open to all currently enrolled St. Ignatius students in grades 1-8. The focus of this program is to provide exciting educational opportunities and expand the student's knowledge of the world around them.

Class Dates: The classes will be held on three consecutive Tuesdays: January 7th, January 14th, and January 21st from 3:45 p.m. to 4:45 p.m. If school is canceled for the day due to bad weather or any unforeseen emergency, the Enrichment Program will also be canceled. We have one make-up day planned for January 28th if necessary. There are no refunds.

Registration and Payment Information: Registration is now open and will remain open through Friday, November 15th. Register here: <https://forms.gle/AKuq7eBZjVmbHno89>
The cost is \$30 per child. AFTER COMPLETING THE REGISTRATION ONLINE YOU MUST SEND A CHECK TO THE SCHOOL OFFICE MADE PAYABLE TO "ST. IGNATIUS PTO." You may write one check per family (\$30 x number of children registered). In the memo please include all of the students' names that you have registered. THE CHECK SHOULD BE IN AN ENVELOPE MARKED ASE. REGISTRATION, INCLUDING PAYMENT, IS DUE BY FRIDAY, NOVEMBER 15TH TO SECURE A SPOT.

Confirmation: Every effort is made to grant students their first class choice. If a class has enrollment greater than they can accommodate, selection will be done on a random basis but last year's class list will be taken into consideration. Class confirmation will be sent via email starting December 5th. If your first choice class has been filled, you will receive a notice of the confirmation of your second or third choice. If you do not receive confirmation of one of your class choices, you will be sent a selection of the class openings that are left. All students will receive final confirmation by December 15th.

Before/After Class: When the regular school day ends, students will be sent to their Enrichment classroom. Parents are required to come to their child's designated Enrichment classroom promptly at 4:45 p.m. to pick up students.

IF YOUR CHILD CANNOT ATTEND ENRICHMENT CLASS, BUT IS PRESENT IN SCHOOL ON THAT DAY, WE ASK THAT YOU CALL THE SCHOOL OFFICE AT 389-3242 TO LET THEM KNOW THEY WILL NOT BE ATTENDING OR CONTACT ONE OF THE COORDINATORS.

Discipline: It is expected that all instructors and volunteers will be treated politely and with respect. Any student participating in the program will follow the St. Ignatius School conduct policy. If any child is disruptive or behaving inappropriately, he/she will be asked to leave with no refund given.

If you have any questions, please contact:

BALLOON ARTIST

Learn to create your own balloon sculptures! The balloon artist will demonstrate and instruct students in the fine art of balloon sculpting. This class will include a packet of balloons and a hand pump to take home to dazzle your friends and family.

GRADES: 3-8

CLASS SIZE: 15

INSTRUCTOR: Tiffany Hubert

** Please note any latex allergies.**

BRICK BUILDERS - LEGO EXPLORATION

In this fun, hands-on class students will complete building challenges with LEGOS®. Students will learn about gears and axles and build tall towers. Each week imaginations will soar while building something new and challenging.

GRADES: 1-3

CLASS SIZE: 20

INSTRUCTOR: Mr. Gemperline

CAKE DECORATING - LOWER GRADES

Learn how to decorate a cake like a professional! You'll decorate cakes & cupcakes to take home and share. By the end of the course, your desserts will look too good to eat!

GRADES: 2-4

CLASS SIZE: 14

INSTRUCTOR: Jenny Streets, Sugar Rush

** Please note any food allergies.**

CAKE DECORATING - UPPER GRADES

Students will learn from a cake connoisseur how to decorate cakes and cupcakes. After this class you will be able to turn basic cakes into beautiful treats worthy of a celebration!

GRADES: 5-8

CLASS SIZE: 14

INSTRUCTOR: Angela Burkart,

Truly Sweet Confections

** Please note any food allergies.**

CARD PLAYING 101

Do you know what a bauer is? Do you have the guts to "go alone" or "shoot the moon"? Learn the basics of 3 popular card games - Euchre, Hearts, and Spades in this fun class presented by Mr. Meyer. Challenging card games improve concentration, memory and analytical skills in addition to being lots of fun!

GRADES: 5-8

CLASS SIZE: 16

INSTRUCTOR: Mr. Meyer

COOL CRITTERS

Learn all about various rescued animals, from snakes and lizards to rabbits and chinchillas! Each week will include different animals to see, touch and hold! Learn about habitats, diets, and more!

GRADES: 1-8

CLASS SIZE: 30

INSTRUCTOR: Brian Gill,

Cool Critters Outreach

CREATIVE CLAY

During this class you will work with different types of clay and create with different clay building techniques. You will make and glaze a piece of pottery, which you will be able to use once it has been fired. You will also create an imaginative clay sculpture.

GRADES: 4-8

CLASS SIZE: 14

INSTRUCTOR: Mrs. Mills

CUSTOM CREATIONS

This class will take you through the creative and technical process of designing your own painted wood signs. Students will choose their designs, stain, and paint using stencils provided by the instructor. Students will create two wood signs to take home.

GRADES: 5-8

CLASS SIZE: 12

INSTRUCTOR: Mrs. Criswell

CRYSTAL CLEAR SCIENCE

In this hands on science class you will become a top notch science sleuth. While experimenting with COOL COLORS you will uncover the colorful secret of black ink and white light. Learn about surface tension and why some creatures can walk on WONDERFUL WATER. MAKE SENSE OF YOUR SENSES as you learn about your 5 (or 6?) senses and the kind of energy they detect.

GRADES: 1-3

CLASS SIZE: 20

INSTRUCTOR: Jen Dent,

Crystal Clear Science

DANCE

Do you love to dance or have you always wanted to learn how to dance? Emerge Dance Academy will offer a three week adventure into different styles of dance. Enjoy the freestyle, funky, and fast movements of Hip Hop, the sharp and strong movements of Jazz, and the modern and expressive movements of Music Theatre Dance.

GRADES: 1-4

CLASS SIZE: 15

INSTRUCTOR: Emerge Dance Academy

CSI: CRIME SCENE INVESTIGATION

A crime has been committed in our school! Search for evidence, gather clues, and discover how detectives solve mysteries. Our student investigators will dust for fingerprints and more to get a first-hand look at how real life crimes are solved. Make a plaster cast of a footprint, learn how to lift fingerprints and view a collection of crime scene evidence.

GRADES: 5-8

CLASS SIZE: 18

**INSTRUCTORS: Steven Alexander,
Cincinnati Police**

DUCT TAPE ART

Let's quack up while having fun and creating things with DUCT TAPE! Duct Tape, an art material? Yes it is! We will create functional and fun art pieces with a variety of colors, patterns and designs. Wallets, jewelry, belts, flowers all created with duct tape... it can be a little sticky but it is well worth it!

GRADES: 1-8

CLASS SIZE: 25

INSTRUCTOR: Melanie Zimmerman

FLOWER DESIGN

Flower arranging is a great way to use your creative artistic abilities. Students will learn flower shop basics including flower names, types of flowers used in arrangements, processing techniques, and mechanics. Each week the students will make an arrangement to take home using a container and flowers provided!

GRADES: 1-5

CLASS SIZE: 10

**INSTRUCTOR: Jessica Newcomb,
Piepmeier The Florist**

GUITAR

Would you like to turn your guitar basics into the ability to play your favorite songs? If so, this beginner guitar class is for you!

GRADES: 3-8

CLASS SIZE: 10

**INSTRUCTOR: Steve Condit,
ETB Music**

***** STUDENTS WILL NEED TO PROVIDE
THEIR OWN GUITAR. *****

HAIR FLAIR

Do you like playing with different styles for your hair? Let's get together and have some hair fun! In this class, we will discuss hair care, learn fun styles with ponytails and get creative with all different types of braids. Add some fun flair to your beautiful hair.

GRADES: 4-8

CLASS SIZE: 10

INSTRUCTOR: Lauren Demeropolis, Parlour

MARVELS OF MAGIC

Get ready to amaze your family and friends! You will learn from a magician marvelous tricks using ordinary objects around the house. Just don't make your homework disappear!

GRADES: 3-6

CLASS SIZE: 25

**INSTRUCTOR: Phil Dalton,
The Magic of Phil Dalton**

MIXED MARTIAL ARTS

Learn some super cool kicks, punches, and blocks while developing self-confidence, discipline, and razor-sharp concentration.

GRADES: 1-4

CLASS SIZE: 25

**INSTRUCTOR: Mr. Geers,
Club MMA**

POTTERY MAKING

We'll learn a variety of fun and creative pottery techniques in this class. Join us as we use clay to make a cool name plaque and work our way through other fun pottery adventures.

GRADES: 1-3

CLASS SIZE: 20

INSTRUCTOR: Barb Flynn, The Pottery Place

POUND FIT

Make noise! Improve your focus, coordination, physical fitness and teamwork skills through movement and music. Using drumsticks, POUND transforms drumming into an incredibly fun and energizing way to be active. Embrace your creativity and ROCK OUT - ultimately building strength, confidence, and self-awareness.

GRADES: 4-8

CLASS SIZE: 20

**INSTRUCTOR: Rene Braun,
POUND**

WOODWORKING

Take wood working one step further with wood working plugged in. Learn how to build with wood and have fun making your own projects working with tools. Learn how to safely use electrical power tools while making 3 wood projects. Students need to provide their own smock or old t-shirt to protect their clothing. Boys and girls welcome!

GRADES: 4-8

CLASS SIZE: 18

INSTRUCTORS: Patrick Kelly & Jason Farrow

VIRTUAL REALITY

VR, Virtual Reality - the experience of wearing a headset and immersing yourself in virtual worlds. Every week we will explore different locations with our class headsets: a hike in a rainforest, a tour of a museum, an undersea adventure - the possibilities are endless.

GRADES: 4-5

CLASS SIZE: 15

INSTRUCTOR: Mr. Magness
