Parish Happenings

Survey Information

Have you filled out the parish survey yet? Please help us participate by
Completing a 10-15 minute survey as soon as possible.

- Use the QR Code to access the survey or visit our [website](#)
- Paper copies are available in the vestibules of church and at the Front Desk. You can also print a paper copy from our website. Please return all paper copies to the Front Desk by Friday, March 19th.

The survey will only be available until March 22 and will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish's efforts to help you grow. All responses will be confidential and the parish will only receive information about the community as whole.

We are trying to get the highest response rate possible. We will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

Thank you for helping with this important project!

Hearts for Healthcare Workers

This month's Corporal Work of Mercy is Care for the Sick, and we want to thank those in our community who have been caring for the sick throughout the pandemic. Starting this weekend, you will find paper hearts in both of the main church entryways. Please take it home and write a note of thanks to Midland's healthcare workers on one of the hearts. You can return your note the following week at Mass or by dropping it off at the Parish Center anytime during the month of February. Your note will be laminated and hung in the trees in the yard to the right of the main entrance of church. If you will not be at Mass, you can make your own heart-shaped note at home and drop it off to the Parish Center.

"It's time to register for First Eucharist preparation!"

Our First Eucharist preparation program for this year will be mostly virtual, but we'll have some online community-building as part of the program, too. We'll use various tools including video lessons with Mrs. Cathcart and Father Rob, family lessons using the God's Gift: First Eucharist book, and a final small-group in-person meeting and practice. Families may choose one of four weekends during the summer to celebrate their child's First Eucharist at one of our regular Mass times, with our Blessed Sacrament community as witness to the special event. For more information or to register, visit the Sacramental Preparation page on our parish website, or contact Corinne Cathcart at corinnec@blessed-midland.org.

Take Time in the Labyrinth this Lent

The labyrinth has been used for centuries as a pilgrimage, a way back home. When Christian pilgrims could not get to Jerusalem, they walked the labyrinth.

Labyrinths are useful for people who are tired of words and for those who need healing but somehow can not find a way out of the confusion. The labyrinth lets people walk together in silence without agreeing on everything.

The Labyrinth is available from 8am–5pm. Please call the Front Desk to make an appointment. You will enter the building through the Swede Ave. entrance, and masks must be worn at all times in the building.

WELCOME *Visitors*

We hope you enjoyed your stay, and if you would like to join our parish community here at Blessed Sacrament, we invite you to become a registered parishioner.

If you are interested in becoming a member of our parish community, please call Chris for an appointment at (989) 835-6777, ext. 231 or email chrisb@blessed-midland.org.

We look forward to welcoming you as we grow
in faith together!

From the Blog

We continue our Faith Formation Series. This week we hear from our Coordinator of Baptism & RCIA, Chris Buchalski.

Baptism is a foundational piece of our Catholic faith. You may be wondering how or even if we are celebrating baptisms at this time. The answer is yes, we are, and we have made some changes to the procedure for added safety. Though we took a break from celebrating baptisms last spring and summer, we began celebrating them again in July. Some of these baptisms even occurred at the 11:00 Mass, outdoors!

We now continue to celebrate infant baptisms during all of the weekend liturgies. If you have been inside the church building within the last several months, you likely noticed that there is no water in the Baptismal Font. This alone makes the process of baptism a little different since we cannot do an immersion for the baptism.

When you are ready to have your child baptized, please call me (989-835-6777 ext.231). I will get the process started for you and answer any questions you have. The baptism application can also be found on our website.

*"Here I am!" he answered.
- Genesis 22:11*

It is easy to say, "Here I am, Lord," when we are kneeling in church. But how easy is it to say "Here I am, Lord," when a neighbor needs our help, when we are invited to join a parish ministry, or when we are asked to provide financial support? Often times we are called when it's not convenient for us. Stewardship is not always easy. There will be times when it will make us uncomfortable and vulnerable.

Everyday Saints

A little bit on this week's saints

Saint Katharine Drexel

Feast Day: March 3

If your father is an international banker and you ride in a private railroad car, you are not likely to be drawn into a life of voluntary poverty. But if your mother opens your home to the poor three days each week and your father spends half an hour each evening in prayer, it is not impossible that you will devote your life to the poor and give

away millions of dollars. Katharine Drexel did that.

Born in Philadelphia in 1858, she had an excellent education and traveled widely. As a rich girl, Katharine also had a grand debut into society. But when she nursed her stepmother through a three-year terminal illness, she saw that all the Drexel money could not buy safety from pain or death, and her life took a profound turn.

Katharine had always been interested in the plight of the Indians, having been appalled by what she read in Helen Hunt Jackson's *A Century of Dishonor*. While on a European tour, she met Pope Leo XIII and asked him to send more missionaries to Wyoming for her friend Bishop James O'Connor. The pope replied, "Why don't you become a missionary?" His answer shocked her into considering new possibilities.

Back home, Katharine visited the Dakotas, met the Sioux leader Red Cloud and began her systematic aid to Indian missions.

Katharine Drexel could easily have married. But after much discussion with Bishop O'Connor, she wrote in 1889, "The feast of Saint Joseph brought me the grace to give the remainder of my life to the Indians and the Colored." Newspaper headlines screamed "Gives Up Seven Million!"

After three and a half years of training, Mother Drexel and her first band of nuns—Sisters of the Blessed Sacrament for Indians and Colored—opened a boarding school in Santa Fe. A string of foundations followed. By 1942, she had a system of black Catholic schools in 13 states, plus 40 mission centers and 23 rural schools. Segregationists harassed her work, even burning a school in Pennsylvania. In all, she established 50 missions for Indians in 16 states.

Two saints met when Mother Drexel was advised by Mother Cabrini about the "politics" of getting her order's Rule approved in Rome. Her crowning achievement was the founding of Xavier University in New Orleans, the first Catholic university in the United States for African Americans.

At 77, Mother Drexel suffered a heart attack and was forced to retire. Apparently her life was over. But now came almost 20 years of quiet, intense prayer from a small room overlooking the sanctuary. Small notebooks and slips of paper record her various prayers, ceaseless aspirations, and meditations. She died at 96 and was canonized in 2000.

HIGH SCHOOL

The bottles and cans kept rolling in! We are still counting and returning, but it looks like the totals are approaching 10,000 cans! Unbelievable! Thank you to everyone who helped with the pasta takeaway dinner! We sold out of meals before 6:00pm! We were glad to have a chance to continue this yearly tradition, even in a non-traditional way. Keep an eye out for information in your upcoming Flocknotes, because we have some big announcements about the Y2Y retreat, Outreach projects, and a return to a virtual Sunday Night Zoom to finish the formation year on a high note!

Outreach will sell Easter flowers this year similar to the Christmas wreaths. Next week you will see an announcement in the bulletin, and a link and information in the Flocknotes.

The High School lesson this weekend will cover the Catholic Social Teaching: Right of the Worker. Y2Y will meet next on March 1st. As a reminder, we will continue with virtual teaching this year for the foreseeable future. Families will receive weekly recorded lessons. For more information about our programs or Flocknote, check out the Faith Formation page on the parish website, or contact me at justinr@blessed-midland.org.

CHILDREN'S FAITH FORMATION

During February, Elementary Faith Formation students are learning about the Corporal Work of Mercy "Care for the Sick." Jesus and the saints are our inspiration as we virtually explore ways to be of service to our neighbors. Weekly lessons are delivered to our families' email inboxes via the Elementary Faith Formation Flocknote. All materials to complete the lessons are printable or easy to find at home, so no need to pick up a packet in the Parish Center. If you're a Blessed Sacrament family with elementary aged children, make sure you're signed up for the Elementary Faith Formation group on Flocknote to follow along with these weekly lessons. For more information, contact me at corinnec@blessed-midland.org.

them to live, but they will

EFPN's Annual "Stop Hunger Challenge"

No one should have to worry about how they will afford to feed themselves or their family. Many people in our community are faced with this concern every day. Hunger does not discriminate. Hunger does not care about gender, age, race or religion. Hunger can affect people who are unemployed or working full-time. EFPN will be conducting its annual "Stop Hunger Challenge" during March and April. Food and money collected during this time will count towards this challenge. Our goal for this campaign is \$80,000 in food and money. Food items are valued at \$1.00 per item. We have an anonymous donor who is offering an incentive for all food and money collected. We also have a 10% incentive from the Food Bank of Eastern Michigan for all money collected. The next collection of food, personal needs and cleaning supplies will be March 6/7. Please place your food donations in the truck located in the parking lot. Food donations may also be brought to a collection box located outside the EFPN office at 503 S Saginaw Rd (box is located near the building off Cambridge parking lot entrance). Monetary donations may be placed in the collection basket and designated for EFPN. Donations may also be sent to EFPN, P.O. Box 2521, Midland, MI 48641-2521.
