FROM THE PASTORAL ASSISTANT'S DESK

Greetings my brothers & sisters in Christ! As we get ready to turn the seasons from Summer to Fall I am reminded not about the beautiful colors which will soon adorn God's creation, or the work of the harvest which will be undertaken by our farmers, or going apple picking, or any of the other things that only occur this time of year... no, I am reminded that we are approaching the end of the liturgical Church calendar. There are all sorts of special occasions and commemorations that are observed throughout the year, often marked by distinctive colors or themes, and some of my favorites occur during this time of year.

For example, Reformation Day, which we celebrate on October 31st each year to commemorate the beginning of the Protestant Reformation. The day is especially important to Lutherans, as it remembers the action of Rev. Dr. Martin Luther posting his 95 Theses on the door of the Castle Church in Wittenberg, Germany on that date in 1517. This year at St. Paul we will observe Reformation Day on Sunday October 27th. Having not grown up in a Christian household and having experienced the breadth of incorrect theology taught in modern America after coming to the faith, I hold reformation day very dearly. Without Luther's brave efforts, the ship of the Church would not have been righted, and the true faith would not have been so clearly confessed. I am very grateful for this, and the endeavors of the other Lutheran reformers, on whose shoulders the Confessional Lutheran church bodies around the globe still stand.

November 1st is traditionally celebrated by the Church as All Saints' Day. In many Lutheran churches, All Saints' Day is celebrated the Sunday after Reformation is celebrated, generally the first Sunday in November. This year we will celebrate it together on November 3rd. The day, which was previously unknown to me as a Baptist minister, serves as an occasion to remember those baptized believers who have died in the Christian faith. As a member of the clergy, this is a treasured day for me, as not only do I get to remember those whom I have had the great honor of shepherding to their heavenly home, but I have the opportunity to remind all those present of the great promise of God... that because of Christ crucified, we are forgiven of our sins and made righteous before God, and can look forward to eternal life.

While I pay close attention to these dates on the Church calendar, I do so not to mark time or to commemorate earthly things, but as a reminder of what is on the horizon. The day of Thanksgiving and the approaching of Advent and Christmas. While these days remind me of the Good Work of the Holy Spirit and Christ already completed here on Earth, they push me further in my faith, serving as reminders of what is to come. They help to turn my attention away from the politics and social situations in the world around me and focus my attention on Christ and creation. They remind me of the promise of Christ, that He "will never leave us or forsake us." They remind me that He is with us weekly as we gather for worship around the Word and Sacraments, and that He & the Holy Spirit are with us daily

as we go about our lives. They remind me that God's Word does not go out void, but that it will always be accomplished and fulfilled.

I hope that as you look around at the colors of the leaves changing, and as you experience the rhythm of the liturgy and the special observances contained within it, that you are reminded that the things of this world are temporary, but ***the Word of the Lord endures forever***. This was not only the battle cry of the Reformation, but the promise contained in Scripture.

~Rev. Streeper.

HOUSEKEEPING AND RECYCLING

We are blessed with wonderful facilities and spaces here at St. Paul. Please remember to be good stewards and keep things as neat and tidy - as you found them (or better); turn off the lights before leaving; clean up any mess as well as you can (or find help); and remember to take all your items home with you after church.

You are encouraged to take home your worship bulletins; use the scriptures, hymns and prayers for your own devotions; and also, be able to refer to the latest updated schedule and announcements. If you would like, you may drop regular and large print bulletins in the blue recycle bin upon exiting the service. We do recycle the spines used on the large print bulletins. The recycle bin is only for bulletin materials.

Please place any garbage in an appropriate garbage can. If you are responsible to lock up when leaving, pause to check the lights are out and doors are closed inside, set the alarm, and check the exterior door is locked. With everyone's help, we can keep everything clean, secure, and ready for the next service or event. Thank you!

Christmas in the Valley hosted by the Valley City Community Group gets bigger each year! The same is true here at St. Paul for our part in Christmas in the Valley. It is an opportunity to be part of the community and an evangelistic outreach to the community. Kevin Harris is our point person for the event here and the man behind the train displays. He is involving more families this year in the expansion and design of the vignettes associated with the train displays. For more information, you can see Kevin. He's also looking for additional ideas. There will be a meeting around the beginning of November that will focus on our preparations for Christmas in the Valley. Stay tuned for information on the upcoming meetings.

Mission Presentation: Lutheran Heritage Foundation Sunday, October 20

Imagine trying to understand Scripture in all its richness without the benefit of Luther's *Small Catechism*, or trying to teach young children about basic Bible stories without books like *A Child's Garden of Bible Stories*.

For Lutheran churches around the world, these situations are reality. They don't have the basic books, so vital to understanding the Lutheran faith, because no one has translated them into their languages.

Through the mission gifts of people like you, LHF translates, publishes, distributes and introduces books that are Bible-based, Christ-centered and Reformation-driven.

In more than 90 countries and 145 languages, thousands of people have come to faith in Christ because they've been able to read books like *The Good News About Jesus* or Luther's *Small Catechism* in their own languages.

LHF has published the catechism in more than 110 languages with dozens more requested. In the past decade, LHF has published and distributed over 1,300 titles and 3 million Lutheran books to pastors, seminary students, missionaries and churches – all at no cost to them.

The Lutheran Heritage Foundation is a Registered Service Organization of the Lutheran Church – Missouri Synod (LCMS).

LUTHERAN HERITAGE FOUNDATION

**THE HOLY LAND CHRISTIANS ARE GOING TO BE OUR GUESTS
HEAR THEIR STORY AND SEE THEIR BEAUTIFUL OLIVEWOOD CRAFTS**

On Oct 20 2024 and during both services, we will be hearing a ministry moment about the Christians of the Holy Land, and after each service we will be hosting at the church Narthex a nice display of handmade olive wood religious articles from Bethlehem available for purchase. These carvings include olive wood Nativity sets, crosses, Christmas ornaments, candle holders, angels and many other religious crafts that could make a nice wedding, baptism, confirmation, Easter and Christmas gifts. The carvings are handmade by Christian families from Bethlehem who rely on it for their daily bread.

More than 70% of the Christian Community in the Holy Land depend upon tourism as their only source of income . For decades those Christians have been enduring many hardships as tourism in Bethlehem has plummeted and access to other sources of income has been sharply restricted due to the ongoing conflict, the wars , the 12 yard wall built around Bethlehem , the COVID-19 pandemic , and nowadays the catastrophic ongoing war , due to this tourists are afraid and unable to visit the Holy Land . This made it very difficult for the Christian families to find their daily bread and forced them to immigrate and flee their homeland since they lost their source of income . The Christian population of the Holy Land was 30% in the last century, today it is less than 1%. If it continues like this, in few years we will find no Christians in the land of Christ, which could cause tragic consequences to our faith and holy sites ,

Please help support our Christian brothers and sisters in the town of Bethlehem where Christ was born by purchasing their carvings.

A Christians family from Bethlehem will be telling us the story of the Christians of the Holy Land and they will be presenting these carvings after the services.

It is never too late to help. All proceeds go to support Christian families from Bethlehem .

Let us carefully tend to our roots, Christian children of God in the Holy Land. And let us pray together for peace in the land where our Savior once walked to tell the world the good news of salvation .

Thank you for your support

Sincerely in Christ,
Dr. George Ghanem

Pastor,

The Time Is Now! As you may know, legislation has allowed for forming Scholarship Granting Organizations here in Ohio. The Lutheran Scholarship Granting Organization of Ohio (LSGO of Ohio/LSGOO) is a certified 501(c)(3) based out of Rocky River, Ohio. Our mission is to raise scholarship dollars for students to attend Lutheran high schools, elementary schools, preschools, and early childhood centers throughout our great state. Currently, we have thirty-four member schools, consisting of two high schools and thirty-two elementary schools.

A Call To Action! This change in legislation has opened a pathway for Lutheran Ohioans to support Lutheran education like never before. For Ohio residents, donors to the LSGO of Ohio can be eligible to receive a dollar-for-dollar tax credit against their Ohio income tax liability of **\$750 per year for individuals** and **\$1500 for married couples filing jointly**. Utilization of this credit returns a significant tax benefit to the donor while helping provide necessary funds to Lutheran educators to carry out our ministry.

Faith In Motion! Scholarship awards will be prioritized, but not limited to, low-income students whose household income is under 300% of the poverty threshold. **The Lutheran Community** has long served students who fall under this threshold. With your support and the support of your congregation, funds from the LSGO of Ohio will allow for the expansion of programming, facility updates, increased ministry offerings, and the hiring of additional qualified staff. **In our first two years of operation, we have distributed \$351,836 in scholarship awards impacting hundreds of students. Praise God!**

Next Steps! We typically hear three main concerns: the program sounds too good to be true, donations to our program will offset current contributions, and a general fear that the church will be saddled with a program fee. To address the latter, there is no cost for your church to join. To defray the costs of operating, all transactions incur a small bank processing fee. Further, this program is centered solely on the donor's tax liability – a financial obligation they would be responsible for anyway- and has no impact on their annual giving. Lastly, the program sounds "too good to be true". I understand this because I felt the same way at first. As a personal contributor, I am one of **over 1350 individuals** who have made a generous gift. For additional information regarding the program mechanics please visit our website www.lsgoohio.org or contact me directly at jmalave@clhsa.org.

I look forward to our shared partnership in this ministry.

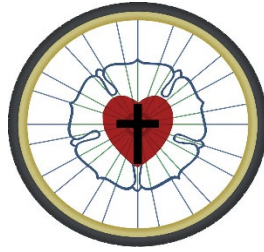

Sincerely,

A handwritten signature in black ink, appearing to read "J Malave".

ST. PAUL LUTHERAN CYCLING FRIENDS

So far in 2024, we have had regularly scheduled rides on Wednesday evenings, additional scheduled rides on the selected weekends, we've been to Troy, Ohio for the Tour De Donut, the Cleveland Metroparks Zoo for their Wild Ride, and the Library Roll in Fredericksburg, Ohio! Does that sound like fun? There's more time to join in for fellowship, fitness and fun. Our rides normally range between 15 and 20 miles on dedicated bike paths and we ride at a recreational pace. Some rides feature planned stops at points of interest. On the Towpath for example, we have stopped at the Beaver Marsh, the Mustill Store, and had lunch or other treats at Szalay's Farm Market. Each ride is unique. October will include another ride in Cuyahoga Valley National Park on the Towpath to see the leaves changing and more!

For more information, see the schedule on the wall of Room 1 in the Fellowship Hall next to the LWML information board, contact Walter Dill Jr. at 330-304-6153, or join our Facebook Group for the most up to date and more detailed ride information.
