JOINED THE PARISH:

FAVORITE MEMORIES OF HOLY TRINITY:

All of the ministries I'm involved in mean a great deal to me, but the Welcoming Brunch has been one that I see really works to evangelize and truly welcome the new parishioners to our great parish! I just love meeting the amazing people who make the decision to join this vibrant parish!

WHAT MAKES HOLY TRINITY SPECIAL:

My faith has truly grown and matured over the years! My husband, Michael, and I were a young married couple when we moved to Lenexa. We wanted to be involved and make new friends, and we did! Michael served as an usher, and we both were involved in the school and its fundraising efforts. When Michael passed away six years ago at the start of COVID, the love and support my family and I received were beyond words! The blessings were endless. Holy Trinity is a huge part of my life, and I would be lost without the love and friendship that I have received here at HT.

Sharing Our Talents Builds the Future

Every skill, every ability, every God-given gift has a purpose within the Body of Christ. When we offer our talents—whether in teaching, music, leadership, hospitality, or behind-the-scenes work—we enrich our parish and ensure it continues to thrive. The next generation needs strong ministries and vibrant parish life, and that begins with the gifts we share today.

What talent might God be inviting you to offer?
