

Mrs. Cole's
Class

31 Oct. 2019

Happy Halloween! What a fun party we had! Thank you Nikole and Kirsten for the games and treats! And the costumes! Oh my goodness Carriellin and I just loved watching all of the friends in their costumes. I hope your trick or treating went well and you were able to get some rest afterwards. (I am secretly happy this is my last year to have a kid dress up. Halloween is NOT my favorite holiday because of all the scary things.)

Thursday, Nov 7 and Tues Nov. 12 are our conference nights. If you haven't turned in your yellow sheet to set up a conference with me please do so. Also, if these nights do not work for you please let me know. I am pretty flexible during the week (except Thursdays) to meet with you after school or even before school.

During your child's conference we will chat about what your child has been doing at school, look at the goals you told me about at our home visits, and some goals I have for your child. Please come with questions.

Thank you Ledger for bringing snack!
Lindy is bringing snack for next week

Happy Halloween!
