

St. Stephen the Martyr Catholic School

United in Christ to ignite the joy of faith, community, and learning.

Requirements for students entering 7th grade:

The Nebraska School Law requires all students entering 7th grade to have a physical examination by a physician, physician assistant, or nurse practitioner within six (6) months prior to the entrance of school. A dental examination is recommended at this time. We do not require a specific form to be submitted, the physician's office will provide a print out of the appointment details and immunizations.

The Nebraska School Immunization Rules and Regulations require the following immunizations for students before entering 7th grade classes.

- 3 doses of DTaP, DTP, DT, or Td vaccine, one given on or after the 4th birthday.
- 1 dose of Tdap given prior to 7th grade,
- 3 doses of Polio vaccine,
- 2 doses of MMR vaccine, given on or after 12 months of age and separated by at least one month,
- 3 doses of Hepatitis B vaccine or 2 doses of adolescent vaccine if student is 11-15 years of age,
- 2 doses of varicella (chickenpox) or written documentation (including year) of varicella disease from the parent, guardian, or health care provider will be accepted.

All physical forms, immunization updates, or documentation of varicella, need to be on file in the school office prior to the first day of school in August 2026.

Sincerely,

Mrs. Julie Perrault
Principal

Mr. Greg Verraneault
Asst. Principal
