ACTIVE FAITH IMPLEMENTING RELIEF IN THE EPIDEMIC

COMMUNITY GATHERINGS

AFIRE is a faith-based movement designed to bring healing, hope, resources, advocacy, and transformational action to families and communities struggling with addiction. Groups are based in parishes throughout the archdiocese and beyond.

All are welcome to join the AFIRE community for sharing and collaboration at our monthly gatherings, held the 2nd Tuesday of the month from 7-8:30PM.

These gatherings are simply times for us to get to know each other and to “share one another’s burdens” (Galatians 6:2), triumphs, and our faith, hope, and love!

Please join us for these informal evenings of community!
