

Launch Your Teaching Career with UMSL

Virtual Info Nights: Alternative Certification

Learn about options to become a certified teacher with your degree or college credits at one of our **FREE** virtual events.

Teach in Residency

Earn Missouri teaching certification while teaching full-time in a real classroom. **Flexible online coursework** allows you to balance your education and your life with the option to earn your master's degree.

Teach in 12

Gain classroom experience with **support from experienced educators** while earning your Missouri teaching certification. Includes the option to earn your master's degree.

Temporary Authorization Certificate

Gain Missouri teacher certification through **full-time teaching experience**. Ideal for those with a bachelor's degree in their desired teaching area. Include option to earn your master's degree.

Finish Line

Earn your **bachelor's degree in Education** while working in an education setting. Includes hands-on field experiences and support. Emphasis areas available in Special Education, TESOL, and Early Childhood education.
