### **Financial Peace University Coming to Holy Family!**

We have been working with the *Parish Success Group*, our consultant that specializes in revitalizing Catholic parishes. One of the things they have done for us is gather census data within our parish boundaries. There are a couple of surveys from the U.S. Census Bureau which answers they have shared with us.

**The Census surveys indicate that the top two issues that are on people's mind in our parish boundaries are finance and health.** So we are going to begin to address those issues in a more aggressive way. My hope is to bring back some of our fallen away Catholics by offering things that might appeal to them. On any given Sunday, three out of four Catholics in this country (and our parish is close to that average) do not come to Mass. These are the folks we will be concentrating on bringing back to the faith. I am going to strategize with our parish nurse, Teresa Field, to expand our health services to you.

Regarding finances, one program that I was familiar with in the military is Financial Peace University, founded by Dave Ramsey. It is a very popular program that helps families manage their finances. Many folks have heard of it. You may have as well.

**We will be offering their nine week course this fall, tentatively beginning Thursday, September 12. The cost is \$109 per family.** More to follow. Be sure to watch for the details in the coming months and let folks know about this.

### **Palm Sunday, Holy Week and "Hosanna!"**

We are all familiar with the cry of the people of Jerusalem: "Hosanna!" It is said each year on Palm Sunday. According to St. Augustine, this is not a word, but rather an exclamation of one praying. It means "Save us, I implore you." It comes from "hosy," which means save and "anna," which means implore. This harkens back to Isaiah 35:4: "Behold your God...He will come and save you."

"Hosanna" is a reminder that we are all in need of a savior. We Americans are sometimes just too self-sufficient and we forget that. We think we are accomplishing great things—on our own. My favorite of the Stations of the Cross are the ones based on the private revelations of St. Faustina. When Jesus falls for the second time, He tells St. Faustina, taken from her book *Divine Mercy in My Soul*: "The cause of your falls is that you rely too much upon yourself and too little on Me (1488). Know that of yourself you can do nothing (639). Without special help from Me, you are not even capable of accepting My graces (738)."

**For that reason, it's incumbent on all of us to attend as many of the Holy Week liturgies as possible.** The Triduum, as it is called, begins with the Mass of the Lord's Supper. Actually, it begins earlier when all of us priests renew our vows and pick up the oils at the Cathedral of St. Peter. Then there's the Good Friday services where we not only repeat the Passion narrative, but reverence the Crucifix. And then we have the glory of the Easter liturgies beginning with the Easter Vigil followed by the usual complement of Easter Sunday Masses. Here's the line up:

**Holy Thursday, Mass of the Lord's Supper: 6:30 PM.**

**Good Friday, Celebration of the Lord's Passion: 12:30 and 6:30 PM.**

**Holy Saturday, Easter Vigil: 7:45 PM.**

**Easter Sunday: 6:30, 8:00, 9:30 & 11:00 AM and 12:30 PM. There will NOT be a 6:00 PM Mass.**

I should point out that the start time of the Easter Vigil is tied to sundown. It begins in darkness and because of a somewhat late Easter, the earliest the Church allows this celebration is 7:45 PM.

Ad Majorem Dei Gloriam,

Fr. Kaim, S.T.L.

**SPRED—(Special Religious Development)**

Recently Father Caliente, PA at St. Rita, celebrated the Sacrament of Reconciliation with our SPRED group (ages 22+) which meets at St. Rita. We have Special Friends from Holy Family, St. James, St. Mary's in Pecatonica, and St. Bridget's who attend.

We are excited to announce that we have enough Special Friends (ages 11-16) to start another group. There are also waiting lists for the 6-10 age group and the 17 - 21 age group. We are looking for adults to participate as catechists for this group. You do not need any background or training for working with those who have special needs. You only need to answer the call of the Holy Spirit to participate in this wonderful ministry.

For more information please contact Mary Kinney, Parish Chairperson for the Rockford Deanery at 815-519-7066 or [1950teapot@att.net](mailto:1950teapot@att.net). Thank you and continue to pray for this wonderful and fulfilling ministry.

Your support helps the church minister in parishes, provide Catholic schools and offer religious education. The Pontifical Good Friday Collection also helps to preserve the sacred shrines. The wars, unrest and instability have been especially hard on Christians. In these times of crisis, the Pontifical Good Friday Collection provides humanitarian aid to refugees. When you contribute to the Pontifical Good Friday Collection, you become an instrument of peace and join with Catholics around the world in solidarity with the Church in the Holy Land. PLEASE BE GENEROUS! For more information about Christians in the Holy Land, visit [www.myfranciscan.org/good-Friday](http://www.myfranciscan.org/good-Friday).

*"It was now about noon, and darkness came over the whole land until three in the afternoon, for the sun stopped shining. And the curtain of the temple was torn in two. **WATCH: Teens Sing Breathtaking Hymn to the Holy Innocents in the Illinois State Capitol** - Martin Barilla, [www.lifesitenews.com](http://www.lifesitenews.com), writes, "A video has resurfaced in response to the March 20th demonstration at the Illinois Capitol by pro-life activists. Members of the choir of St. John Cantius Parish in Chicago and the teen Crusaders for Life originally sang the 'Coventry Carol,' March 22, 2017. The hymn depicts the massacre of the Holy Innocents by the soldiers of King Herod. During this Holy Week, take time to listen to this beautiful piece." (<http://tinyurl.com/yy42slde>)

Researcher David Prentice, (research director of the Lozier Institute), asks why is the National Institutes of Health (NIH) still spending \$250 million a year killing embryos? Published, peer-reviewed clinical trials have shown adult stem cells have reversed stroke damage, spinal-cord-injuries, heart attacks, type I diabetes, lupus erythematosus, etc. Close to 2,000,000 patients have been helped. **Pro-life Successes Continue** - Calvin Freiburger, [www.lifesitenews.com](http://www.lifesitenews.com), writes, "The continued trend of state-level proactivity has frustrated pro-abortion activists uncertain of *Roe v. Wade's* future. An Alabama bill bans abortion for any reason other than to 'avert a mother's death or physical impairment.' A Texas bill would forbid state and local tax dollars being used for abortion. South Carolina proposed a ban on aborting babies with a detectable heartbeat, effectively banning abortion around six weeks into pregnancy. Indiana advanced two bills. One is a ban on dismemberment abortion procedures. The second allows more types of health professionals to opt out of providing abortion-related services." (<http://tinyurl.com/yy2v842y>)
