God's peace!

All is progressing better than anticipated here at St. James. Many things continue to move forward in spite of the present challenges. I never thought that I would be endorsing a commercial, but soon we will be providing on our web site a visual update of how our Brick by Brick project is moving forward, the latest updates on our sound system and cameras, and whatever Pierre and Ron decide to share!

One of the services that will be provided with our new sound system are devices that will assist folks that are experiencing hearing challenges. At this time,

we have a limited supply of these instruments. Once we figure out how the system operates, we will make them available. Currently we have four (4) devices. We are exploring the possibility of providing for folks that would prefer their own personal device, the opportunity to purchase them at a reasonable cost. If any of you would like to assist the parish in purchasing additional devices, please let me know. Once we get a firm cost amount, we will share that information.

Although we will not be able to assemble for Vacation Bible School this

summer, it will be provided via of our web site. One of the advantages is that it can be viewed at your convenience. I encourage families to take the time to participate. The staff has put together a stellar experience!

Just a friendly reminder that if you wish to attend a daily Mass, it is not necessary to pre-register. We still would prefer that you register for the weekend liturgies.

Love you all!

God's peace,

Fr. Ed Z.

Mom: Sam, what's sounds good for dinner?

Sam: Ice cream!

As parents, we know that what our children want may be vastly different from what they need. A child may want to go on a sleepover when the next day will be busy. You know the child needs a good night's sleep. A teen may want to go to opening night of a movie but you know they need to study for a test. It makes us sound like the bad guy, but it is out of love that we guide them to the greater good.

In the Gospel, Jesus crosses the lake with his disciples for some much needed rest, only to find that thousands have gathered there to see His miracles, to heal their sick, and out of curiosity.

His heart is moved with pity. He knows they come because of what they want, but He knows what they need are not signs and wonders but faith, hope, and love. As the day draws on, they become hungry and want food. Jesus feeds them all with just a few loaves and fish. They received what they wanted and more, but I wonder how many received what they needed. Did they realize the miracle that occurred? How many grew in faith that day?

Our heavenly Father looks upon us and knows what we need. We may want a better job, healing for a loved one, peace in our

communities. Only God knows what we really need. Sometimes our pain, confusion, and struggles, though not what we want, can be the pathway that leads us to a greater dependence on Him, a greater faith. We appreciate our bread so much more when we have hunger pangs and sometimes we have to eat our vegetables before we can have ice cream.

Music suggestion: Blessings by Laura Story

May God bless and strengthen your family!

St. James Food Pantry

Many of our parishioners are using the list on page 4 indicating the needs (both immediate and additional) for pantry items to donate. This list is updated weekly by our Pantry Team and is extremely helpful in keeping our shelves filled.

If you are a Kroger shopper, please read the article on this page to see how you can help the pantry at no cost!

Computer Paper Boxes STILL Needed

Each month our Food Pantry program uses approximately 100 boxes. If you have access to this size box, please consider donating them. We request this size only, due to the ease of handling and storage. Thank You!

Kroger Shoppers

Thank you to all who have designated St. James Food pantry to benefit from the Kroger Community Rewards Program! For the quarter ending 4/30/2020, St. James received \$549. The Kroger Community Rewards Program is a no cost, easy way to assist the St. James Food Pantry. If you are not enrolled, pick up a Kroger Rewards card from any Kroger store and go online to

www.krogercommunityrewards.com to sign up. If you have a Kroger card but it is not benefitting our pantry, you may go online and indicate St. James Food Pantry. Our organization number is **IH458**. Information may also be found in the Narthex on the credenza under the bulletin board, or by contacting Christian Service. Monies received from this program allow us to purchase laundry soap, dish soap, garbage bags and a few other hygiene type items for those receiving assistance through our monthly food program.

Red Cross Blood Drive

The need for donors is great and many current locations are unable to accommodate the space needed during this Coronavirus crisis.

Therefore, St. James Church will once again be opening its doors to host a Community Blood Drive on **Friday, Aug 14th & Friday, Sept 11th**

Healthy donors are encouraged to book an appointment. Simply go online to www.redcrossblood.org and enter stjcc in the sponsor code. The site will direct you from there or call **800-REDCROSS** (800-733-2767). Remember, there must be 56 days between donations.

Donating Blood Makes a Big Difference in the Lives of Others!

Annual Backpack Project

The annual back-to-school Backpack Project is underway!

Our goal is to provide local children with new backpacks filled with supplies needed for their school year. Last year we distributed 202 backpacks! These children are from families that are included in our monthly food program or have received other assistance during the year. Their family budgets don't allow for extras such as backpacks and school supplies.

Due to current restrictions and limited access to the church building, we have replaced our poster board of sticky notes requesting

school supplies, with SignUpGenius. An email was sent to parish families via Flocknote

containing the SignUpGenius link to the list of supplies needed. You may also find the link on our website at www.stjamesnovi.org.

If you prefer to make a financial contribution to the Backpack Project instead of shopping, your donation can be made through Online Giving by clicking on the Backpack Project donation button on our website. If you choose to make your donation by check, the check should be made payable to St. James Catholic Church and sent to the church office attention: Christian Service. Please be sure to mark Backpack Project on the memo line.

Note: Donations may be placed in the blue bin inside door #6, or placed on the cart in the narthex, if attending mass. Donations are due by Sunday, August 23rd.

Thank you for your generosity and kindness to those in need!

Do You Know the Signs of Heart Attack or Stroke?

A heart attack or a stroke can be a frightening experience. According to the American Heart Association, tens of thousands of people survive heart attacks and go on to lead productive enjoyable lives. The key is knowing the warning signs and symptoms of both in order to save yourself or a loved one. If you start to experience the signs of a heart attack or a stroke, then you should call 911 immediately. Here is what you need to know to be prepared:

What is a Heart Attack?

A heart attack is when the blood flow that brings oxygen to the heart is reduced or severely cut off. According to the American Heart Association, this happens because coronary arteries that supply the heart muscle with blood flow can become narrowed from a buildup of fat, cholesterol or other substances that together are called plaque. This slow process is known as atherosclerosis. The signs for a heart attack can be different for men and women.

Signs and Symptoms for Men

Heart attack symptoms for men include:

- Chest discomfort. Most of the time it is in the center of the chest and lasts for more than a few minutes. It can go away and return. The discomfort can feel like pressure, squeezing, fullness, or pain
- Discomfort in other areas of the upper body including pain or discomfort in one or both arms, back, neck, jaw, or stomach
- Shortness of breath with or without chest discomfort
- Other signs like cold sweat, nausea or lightheadedness

Signs and Symptoms for Women

Women's most common heart attack symptom is chest pain or discomfort. They are more likely than men to experience other symptoms like shortness of breath, nausea/vomiting, and back or jaw pain.

- Uncomfortable pressure, squeezing, or pain in the center of your chest. It can last for a few minutes or go away and come back again
- Pain or discomfort in one or both arms, back, neck, jaw, or stomach
- Shortness of breath with or without chest discomfort
- Breaking out in a cold sweat, nausea, or lightheadedness

What is a Stroke?

According to the American Stroke Association, stroke is a disease that affects the arteries leading to and within the brain. It is the No. 5 cause of death and a leading cause of disability in the United States. A stroke occurs when a blood vessel that carries oxygen

and nutrients to the brain is either blocked by a clot or bursts (or ruptures). When that happens, part of the brain cannot get the blood (and oxygen) it needs, so it and brain cells die. It's important to know the signs and symptoms of a stroke so that you can seek medical attention immediately.

Signs and Symptoms of Stroke

Learn the acronym BE FAST:

Balance: Are you feeling off balance?

Eyes: Are you having trouble seeing or are you experiencing a loss in vision?

Face Drooping: Does one side of the face droop or is it numb? Is the person's smile uneven or lopsided?

Arm Weakness: Is one arm weak or numb? Ask the person to lift up both arms. Does one arm drift downward?

Speech: Is speech slurred? Ask them to repeat a simple sentence to you.

Time to call 911: If a person is showing any of these symptoms, then it is time to call 911.

When Should You Call 911?

Learn the signs of a heart attack or a stroke and remember that even if you're not sure, it's better to have it checked out. Minutes matter and fast action can save lives. Call 911 if you experience a heart attack or stroke warning signs. Calling 911 is almost always the fastest way to get lifesaving treatment. An emergency medical services (EMS) team can begin treatment when they arrive. Learn these signs and symptoms so you feel prepared! If you are experiencing a life-threatening emergency, go directly to the ER or dial 911.

CYO Fall Volleyball Update

We are still planning for a fall volleyball season. CYO volleyball is for girls going into 4-8th grade. Tryouts should take place in early August. All parish members are welcome and will make a team. We also hope to have open gym time this month once the restriction is lifted. Open gyms give a player some time to learn and develop their skills in a non-competitive environment. Please go to the CYO page on the church website and sign-up for updates as more information is available. See you on the court!!

Please remember in your prayers all who serve in the Armed Forces and all of our First Responders. May they be kept safe and out of harm's way.
