

BLINDCONNECT

Walk Connected: A Blindconnect Walk

Blindconnect invites you to our first annual 5K Walk benefitting Angela's House. This walk is a virtual walk. Walk with us anytime anywhere from April 17 to May 1, 2021 in recognition of independence for the blind through critical blindness training services in Nevada. This means you can walk anywhere anytime in the comfort of your home, neighborhood, at a park of choice, mall, or even on a treadmill. Anything is possible but we do ask that you spend 30 minutes to walk and connect via phone with a graduate who has experienced the services of Blindconnect's Angela's House. To get in touch with a graduate you can call and request a name and phone number from us at 702-631-9009.

Angela's House is Nevada's only blindness skills training program. Blindness and going blind is life-altering. Our program provides a transformational process that allows the blind to walk again with confidence. Come and witness the possibilities of living without limitation as both sighted and blind connect together for a 5K Walk.

Registrations are \$35 per participant. You can register at Blindconnect.org/events/walk-connected This contribution provides you with a walk packet including a Blindconnect T-shirt and swag bag. We will be holding the following pick up times for local walk packets and those out-of-town will be contacted for mailing.

Fridays April 9 or 16, from 2PM to 5PM
Blindconnect located in the Mobility Training Center
5165 West Sunset road
