MAKE CONNECTIONS
WITH OTHER
CATHOLIC-
CHRISTIAN WOMEN

"Called to CARE" Evening of Reflection for women hosted by Catholic Charities- Social Concerns CARE program

Please join Catholic Charities- Social Concerns CARE program for the launch of our newest parish resource on immigration, "Call to CARE": a non-political, discipleship- focused look at how we as Catholic- Christian women can recognize Christ in our midst. There will also be Mass, time for individual reflection, and opportunities to make connections with others as we explore together how Christ is calling us to care more deeply for those around us. There will also be an invitation of specific ways to engage your own community around the theme of migrants and refugees.

A portion of the registration cost will be donated to help the Afghan evacuees at Camp Atterbury.

RSVP TO LAURA BY
OCTOBER 15:
