

Increase The Life Changing Impact of Your Gift

Talk to your company about its Matching Gift Program

Matching gift programs are a tremendous way to maximize your generosity and impact. Most programs will match your gift dollar for dollar, and some will even *double or triple* your original gift amount! Speak with a representative at your employer's human resources department and see if religious organizations are eligible to receive matching gift funds. If your gift is eligible, simply fill out a matching gift form from your employer, and send it along with your gift to the *Cardinal's Appeal* Office. If you already made a gift, you can still get it matched by filling out the form.

Organizations that have matched gifts to the *Cardinal's Appeal* in the past few years include:
