Special Dress Days during CSW

These days are just that - special. While they are designed to be a fun departure from our usual dress code, we ask that you please use good judgment in making certain outfits are appropriate for the age of our students, the school setting, and the weather, especially on pajama day. Skirts must be worn with tights or leggings. Shorts will not be permitted. And covered-toe shoes, with socks, are still required for safety. Thank you!

It's GREAT to be a JAGUAR and attend St. Matthew Catholic School!
