

Fifth Grade

The Living Rosary was beautiful! The students did a fantastic job portraying the Joyful Mysteries and leading the prayers!

Our class butterfly disappeared after a week of freely flying in the classroom. We still wonder where he ended up.

In **theology** the fifth graders have studied the sacraments, the hierarchy of the Church, Holy Days of Obligation, the Precepts of the Church, the 10 Commandments, and the Prophets. During Vocation Awareness Week we highlighted the beauty of each vocation and prayed for discernment. In **Grammar** they have progressed so much in recognizing the parts of sentences and diagramming. Their story rewrites of "The Good King's Feast" have also been quite impressive!
