## What We're Learning!

\*This week was packed with all things gingerbread! We read more books with the gingerbread theme and we compared the books to see what was the same and what was different! We ended our week making gingerbread cookies. Before we ate the cookies we predicted if we would like the cookies or if we wouldn't like the cookies. After catching our gingerbread men when they came out of the oven we decorated them and ate them. The students shared if they did in fact like the cookie or if they didn't like the cookies!

### Christmas Party

Our Christmas Party is December 22nd @ 9:30a.m. We will be partying in our room with cookie decorating, an activity and games.

Christmas Concert: as stated in the school wide Knightly News Flock Note, we are performing in the Christmas Concert! The concert will start at 6:30 p.m. Please have your child at the Washington Community Center by 6:20 p.m.

Christmas Concert Practice: We will go to the Community Center in the morning on Wednesday, December 15th. The Preschool bus will leave at 8:20 a.m. so please have your child at school by regular time of 8:10 a.m. so we have time to do a restroom stop before getting on the bus.
