

Sister Community Mission; Winton Wyoming Pastoral Region - Jardines de Colón

Thank you for your continued support of our Sister Community family in El Salvador. For over 25 years, we have gifted them the opportunity for education, empowered their church community, and built a stable, supportive neighborhood. Your sponsorship means so much for the children and families in Jardines de Colon. Education is a way to a better life.

Despite the hardships of the pandemic, the economic hardships, the natural disasters, and the deaths of so many in their community, they are supporting each other in moving forward, always forward, in their mission of evangelization and loving support of their community.

It is only through our donations and their deep sense of mission, sheer willpower, and complete trust in God that their community has been filled with hope and opportunity. Together, we are building the kingdom of God in Jardines de Colon. We hope that you will continue to support our Sister Community mission through financial gifts and prayer.

Our sisters and brothers in Christ in El Salvador are praying for you constantly and send their gratitude and love. Together in solidarity let us pray:

Gracious Creator, Loving Redeemer, Powerful Spirit, Our God.

We, Your children, give You all the praise and all the glory.

Help us to recognize You in the faces of our brothers and sisters in

Christ in Jardines de Colon,

Increase Your love within us as we draw closer to You through our relationship with them,

Help us to radiate Your love and light in this dark world,

We thank You for multiplying our financial gifts to build Your Kingdom,

And for multiplying our spiritual gifts in Your service.

In Jesus' precious name, we pray. Amen.
