

After collecting your donations, please make sure there are no opened or expired items. Then tally up the items based on the categories below. One tally per item - for example, if you received a can of corn and green beans, that would count as two tallies in the 5 point items. After you tally your items, total your score below and e-mail a copy to Lisa at [lisah@stmartha.com](mailto:lisah@stmartha.com) by November 2 along with a picture of you dropping of the items at the HAAM truck at Church.

| 5 Point Items  | Tally Collected Items: |
