

Families Helping Families

Thanksgiving Mission Project

Families Helping Families is an opportunity for you and your family to help others this Thanksgiving. Due to COVID-19, FHF will look different this year. *The organizations served – St. Joseph's Catholic Church in Landover, Assumption Parish in S.E. Washington and the Bowie Interfaith Food Pantry – have requested that we not collect baskets this year.* Instead, they would like monetary donations that they can distribute as well as turkeys that we will purchase.

There are 2 ways to participate:

1. A monetary donation towards the cost of Thanksgiving dinner for a family.

- Donations of any amount are welcome. \$25 covers the cost of the items traditionally gathered for the baskets and \$12 covers the cost of a turkey.
- Donations can be made online at spxbowie.org/FHF via Faith Direct
- You can also drop your donation off at SPX during a weekend Mass or Communion for Online Worshipers. Please place donations in an envelope marked 'Families Helping Families.'
- Donations can also be mailed to the Rectory Office (3300 Moreland Place, Bowie MD 20715) marked Attention: Families Helping Families.
- **Donations due by Sunday, November 15th.**

2. Pick-up & Deliver Turkeys on Saturday, November 21st.

- Using your own vehicle, you'll pick-up turkeys and then deliver them to one of our partners.
- Only the driver should be in the vehicle and must wear a mask.
- Drivers are needed to deliver to Assumption in SE Washington and St. Joseph's in Largo.
- If you're interested in driving, please contact Sally Hein or Liz Brown directly by **Sunday, November 15th.**

Thanksgiving Baskets are available for parishioners who need assistance this year.

Please contact Sally Hein or Liz Brown if you would like to receive a basket.

Your request will be kept confidential.
