*November 11, 2022*

Please join us for our annual Christmas Bazaar. This is such a fun event!!! There will be basket raffles, cookies and candy to purchase, popcorn for sale, the ever popular Hoffman apple pies for sale and delicious food. We also have many vendors selling everything from Christmas ornaments, clothing, hand-sewn items and much much more!! The menu includes chicken noodle soup, cheesy broccoli soup and hot turkey sandwiches.

New this year is the Lil' Shopper's Shoppe. Kiddos can shop for gifts for family members. The Shoppe is open to all children, not just SFX students. For our students, information went home today and the shoppe will be open early next week for additional shopping time. Adults will be present to assist the children and a gift bag is included with their purchase.
