

Service Faith eXcellence

# St. Francis Xavier

November 18, 2022

***Our Christmas Bazaar was a huge success! Thank you to everyone that donated time, talent and treasures. Everyone was so generous in their donations that we cannot mention everyone in fear of forgetting someone. Please know we appreciate you all!! This is a major undertaking and cannot be successful without your help. Final profit numbers will be published when they become available.***

SCRIP credits were recently given to school families that purchase SCRIP. Half of the profit comes back to the school and half goes to the family for a tuition credit. Approximately \$3,16387. was credited back to the families to either reduce their December tuition payment or give them a credit balance to start next school year. The next credit will be in April. Purchasing SCRIP is a way to help with tuition by buying gift cards for everyday purchases. Credits can be banked, so if a student is in 4K this year, profit from purchases can be banked for Kindergarten. Contact the school office for more information.

**Fresh-cut Christmas Trees from the Hoffman Family Tree Farm are again being sold in front of the school. Suggested price is \$40.00, however the cost is a free will donation. There is a box on the west side of the sign to put your donation in. Thank you for supporting our school**
