They offer hope as they share their personal stories and struggles, reconciliation and healing. You will find courage and strength in the realization that you are not alone in your struggle. Development and Peace: a movement of solidarity

Established in 1967, Development and Peace — Caritas Canada is the official international solidarity organization of the Catholic Church in Canada.

We partner with organizations in the Global South that promote alternatives to unjust social, political and economic structures and support women in their quest for equality and justice.

With the help of our 11,000+ volunteer members, we inform Canadians about the root causes of impoverishment and mobilize them to act for change. Our Lenten campaign, *Stand for the Land* focuses on people's defence of their territories in Colombia and Honduras.

To learn more about our movement and to join us, visit devp.org.

FROM THE PARISH OFFICE

Just a reminder to kindly collect your 2022 tax receipt and envelope sets as you leave the
