CATHOLIC SCHOOLS WEEK-MONTH

Well, by piecing it together, little by little, we've managed to get in *many* of the special events we had planned for two weeks ago. It has been suggested that we change our acronym to CSM (Catholic Schools Month---LOL) but, even without the cooperation of the weatherman, we officially brought Catholic Schools Week to a close with our Special Guest Day yesterday. We have a few "leftover" events that we will fit in here and there throughout the remainder of the year, but it is time to put a fun but sporadic CSW behind us!!

Please enjoy the pictures of the memories we made over the past couple of weeks that are shared throughout this newsletter!

We had a GREAT turn out for brunch after our Catholic Schools Week Mass on Sunday, January 27th!

THANK YOU

to our Home & School friends
for a delicious brunch for all
parish members!!

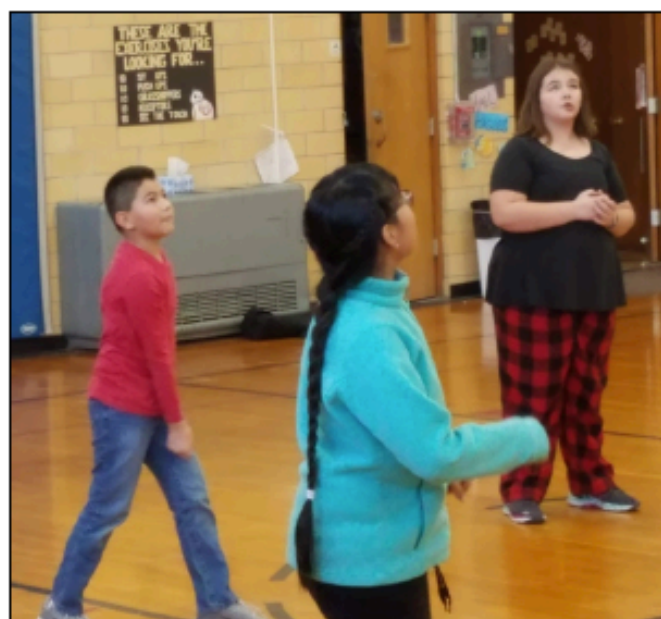

Certainly not ALL of our SJS students, but a WONDERFUL showing of students, staff and families for our CSW Mass!! THANKS to all families who braved the winter weather to make it a great celebration!

Make Up Days

Thanks to a remarkably unfriendly winter, we have missed 10 days of school, at last count. The Washington Community School District has decided to make 3 of those days up this past Friday-February 15, Monday-February 18 and Monday-April 22. Saint James School will be following that same plan. Please read future newsletters for other possible weather-related calendar changes. I've been told winter is not over YET!
