**PASTOR'S CORNER:**

Dear Parishioners,
Pray for our middle school kids who are doing a service camp this week. I hope they have good weather and the week turns out to be fun as well as helpful.

I want to extend a big thank you to Peter Glaudemans and Chris Parks who worked very hard in hot weather to complete the sitting area in front of the Pastoral Center at Resurrection. It looks really great and is a nice first impression to our visitors and guests.

I know its summer and fall is probably not upper most on your minds, but please take a moment and register your children for the fall religious education programs so schedules, teachers and programming can be done efficiently during the summer.

August 15th is the Feast of the Assumption. Because it falls on a Monday, it is not a Holy Day of obligation, but there will be an extra mass at St. Paul at 7 PM in addition to the 8 AM Mass in the Chapel at Resurrection.

Fr. John

**DEACON'S NOTE:**

Dear Brothers and Sisters in Christ,

St. Paul parish has been using a very old software program to manage the parish calendar and the facility utilization. The system is not very user friendly, which creates additional work for the office staff, as well as the vendor has stopped supporting the program with updates. Hence, we are moving to a new web-based program to manage the parish calendar and facility utilization. It will take a few weeks before we can load all of the existing data into the database. Once completed, parishioners and visitors can view the calendar in real time, providing current and accurate data that is automatically generated from the program to the parish website. No more manual entries into two different programs by the office staff. In the future parishioners will be able to complete and submit a web-based Facilities Request form off of the parish website based on the availability of a facility shown in the parish calendar. Once implemented this will be a much more efficient and friendlier system and process for everyone. Please be patient with the office staff over the next few weeks as we implement the new system. More detailed information to follow in the next few weeks.

Have a Blessed week,

Deacon George
