FootballMania 10 Week Sweepstakes Rules

(1) Your ticket contains 10 different 3-team combinations, each generated and randomly assigned to one of the first 10 weeks of the football season beginning on 11/02/2012. (2) The 30 weekly prizes awarded to tickets whose teams have any of the 25 highest for all lowest total combined points scored relative to all other tickets each week. The 25 combinations are awarded to the one ticket with the most points with the least total combined points scored over all 10 weeks, or more tickets are tied with the same score. Total net yards is used as the primary tiebreaker. Any tickets for tiebreaker examples: (a) Football teams that do not play (have a bye) in a given week are assigned that week's score from the previous week. (b) Minimum odds of winning: 1 in 14.0 for the entire season; 1 in 14.0 in each week; 1 in 2400 for a grand prize. (c) No purchase necessary to play. Void where prohibited. (d) Sweepstakes ends on 1/07/2013. (e) To enter the sweepstakes, the organization on the front of this ticket must include the ticket number. To request a free ticket, ask the organization to provide free contact info on front of ticket for a free game card request form. (f) All tickets are valid until 01/07/2013. A prize will be awarded.

Each game card can win prizes in all 10 weeks!

Let's say your game card has the following 3 teams in week 8:

Team	Point scored in week 8
Chicago	42
Green Bay	35
San Diego	41
Total points scored	118

If your teams score more total points than any other game card that week, then you win!
