

125 YEARS UNDER OUR LADY'S CARE

A Marian Grotto for Our Parish

Become Part of Mary's Nurturing Gift to Us

Exciting news! Mary continues to care for us! Just 5 days after the announcement of the new grotto on our campus, she has provided an anonymous donor for the Statue of Mary.

For generations, our parish has been under her care. Now, a sacred place is being prepared on the parish grounds where anyone may come to pray and be in her presence.

This grotto is not simply something we are building. It is a gift we are receiving from Mary. And each of us is invited to take part in that gift.
