Right Now Media

By this time in our quarantine and work at home, you might have exhausted your video library. I want to remind you that, as a member at Westside, you have access to a video library that I have called, "*Netflix for Spiritual Health.*"

There are many amazing and great videos available for Bible Study, to strengthen your marriage, enhance parenting skills, teach great lessons to children and strengthen your faith.

If you want access to **RightNowMedia.org**, just send an email message to me at howard@westsidecoc.com and I will sign you up with Right Now Media and they will send you a code to enroll.

It is quick and simple and I know it will strengthen your spiritual life.

GRADUATING SENIORS

Michael Buraczyk

Natali Marcus

We have set the date of August 9 for us to honor our graduating seniors this year. In this unusual year we will not be able to celebrate with a luncheon and face-to-face greetings with our seniors.

But we will collect cards, gifts and notes for the graduates from now until August 9. You can drop off any of these items at the church office and we will give them to Natali Marcus and Michael Buraczyk on August 9. This date allows us to collect gifts the entire month of July. Please make sure our two graduating seniors know how much they are loved and how much they will be in our prayers!

Who's Poor?

A wealthy man took his son to the country to teach the boy about poor people. They spent several days and nights on the farm of a poor family.

When they returned home, the father asked his son, "What do you think now that you've seen how poor people live?"

The son answered, "I saw that we have one dog and they have four. We have a pool that reaches to the middle of our garden, but they have a creek that has no end. We have imported lanterns in our garden, but they have the stars at night. Our patio reaches to the front yard and they have the whole horizon. We have a small piece of land to live on and they have fields that go beyond our sight. We have servants who serve us, but they serve others. We buy our food, but they grow theirs. We have walls around our property to protect us, but they have friends to protect them."

The boy's father was speechless.

Then his son added, "Thanks, Dad, for showing me how poor we are."

Judy Clark recently had cancer surgery and will begin radiation treatments. She is doing very well. Your prayers are greatly appreciated.

Diana Aldis thanked you all for the prayers for her son Ben, he is feeling better and she has tested negative for the virus.

Julie Cardwell asked for prayers for her brother, **Thad Helsey**. He had a heart attack last Thursday and was in recovery from stint surgery.

COME TO ME, ALL YOU THAT ARE WEARY ... AND I WILL GIVE YOU REST. ... FOR MY YOKE IS EASY, AND MY BURDEN IS LIGHT.
