THE ASCENSION OF THE LORD (B)

May 12, 2024

As we celebrate one of the most important events in salvation history we are reminded that Jesus 'bodily' ascended into the heavens. Even though he physically seem to vanish into the clouds, Jesus remains in us spiritually in every way including all the sacraments. Still, His FULL presence remains with us in the Eucharist and at every mass. As Catholics we understand that Jesus was present yesterday is present now and will be present forever until the end of time.

Psalm Prayer Reflection

Lord Jesus Christ, gracious and compassionate High priest before the heavenly throne, help us to know the depth of your care for us. As you once took on the burden of our sin, guide us now through the pilgrimage of this life, so that we may finally attain the kingdom where your righteousness, justice, and peace reign eternally. To you be all honor and glory, now and forever. Alleluia! Alleluia! Amen.
