### THIRD SUNDAY OF EASTER (B)

April 14, 2024

*As we read the scriptures for this Sunday, 'forgiveness' and 'grace' seem to take center stage. We read of the occasions when the resurrected Jesus appeared to the disciples as they struggled to recognize Him. Yet Jesus stood patiently by their side. Hence, we are called not only to recognize Jesus but to accept God's gift of mercy by repentance and conversion.*

#### **Psalm Prayer Reflection**

*Lord Jesus, foreseen by the Psalmist as the Faithful One of God, teach us the way of genuine trust according to your new law of love. As we grow in the ways of hope and confidence, may your love grow ever stronger in us so that we, too, may pray with confidence, "You, alone, O Lord, make us dwell in peace and security." In your holy name, we pray. Amen.*
