

*The Synod on Synodality - Speak With Courage, Listen With Your Heart*

**The Pope wants to hear from us...**

**...ALL OF US**

Have a dialogue with each other

*listening and speaking with open hearts*

**AND**

*guided by the Spirit, share with him what our hearts believe is the mission for the Church in its third millennium.*

This type of gathering is called a Synod.

*It will occur around the world in 2021 through 2023.*

Your responses will be collected, combined, and communicated to Pope Francis.

---

*The St. Elizabeth Seton Synod Committee is organizing many opportunities for all the members of the parish to participate in these dialogues at convenient times and media (including zoom) and we ask that you commit to participate in one of them.*
