The safety of our parishioners is of great importance to us, therefore, strict guidelines have been put in place to allow Masses to begin. There are many restrictions and changes to the way we would normally celebrate Mass, however, we all must be patient and respectful of these changes. It is the responsibility of each person attending Mass to help to ensure a safe environment. Please know that these guidelines may need to change as we gain an understanding of what works and what can be improved.

Who would have guessed that we would be living through these unprecedented times? Our hope and trust continues to be in the Lord. May he guide us, provide us with hope and comfort, and bless and protect us as we continue to move forward.

I look forward to being with you again.

Sincerely Yours in Christ,
Rev. Msgr. Ronald R. Cellini
Pastor
