

Each year, donors are invited to become M.A.G.I.C. Match sponsors for our classrooms or subject areas. The acronym stands for Making a Generous Incentive Commitment (M.A.G.I.C.) and allows individuals or businesses to provide \$500 to support a particular classroom or specified educational programming. We have M.A.G.I.C. Matches for the library, art, music, physical education, resource, the garden club, and character development programming. After receiving approval, teachers and staff can make purchases that will enhance the learning environment for their students. Purchases have included printers, document cameras, new rugs and book shelves, iPads, maps, playground equipment, computer software, and of course, books!

If you are interested in becoming a M.A.G.I.C. Match sponsor, clip the form below and send in your check. Donors are recognized with signage outside of classrooms and in the main hallway, in the Annual Report and the school yearbook, as well as in other publications or social media platforms.

2021-2022 Blessed Sacrament School M.A.G.I.C. Match Form

Making A Generous Incentive Commitment

Yes! I would like to sponsor the M.A.G.I.C. Match program this year by sponsoring a classroom, program or club for the entire year with a donation of \$500.
