SJS SPRING CONCERT

Our spring music program is this Wednesday, May 15th beginning at 6:30 p.m. at the Washington Community Center. Prelude music will begin at 6:00 p.m. The doors for seating will open at 5:45 p.m. **Please note the time changes from previous programs.** The earlier time is to ALL parents to stay for the ENTIRE program and still get their children to bed at a respectable time. In addition, we have worked to streamline the program to provide as much entertainment as possible in a shorter time frame. We always appreciate the feedback we receive following our Christmas and spring concerts. One piece of this feedback has been how do we keep everybody AT the program for the entire performance? Without meaning to be, people leaving in the middle of the concert or after their child has performed can be very disruptive to those remaining in the audience as well as disheartening to the students still performing. In addition, aside from providing an evening's entertainment, we look at the concert setting as an opportunity to teach the students not only about being a performer, but about proper concert etiquette, which includes:

- ✓ being attentive to the performer(s) &/or announcer.
- ✓ talking ONLY between numbers or when there is no action going on.
- ✓ applauding at the ends of numbers.
- ✓ refraining from distracting your child while s/he is on stage.
- ✓ taking fussing children out to the lobby.
- ✓ staying for the entire program.
- ✓ keeping feet off the backs of seats.
- ✓ keeping food and drink (other than water) out of the auditorium.

Ms. Elisabeth and our students do such a fine job and this next week's concert will not disappoint. There are some real surprises in store!

With everyone's efforts, we can truly celebrate the wonderful talents of our Saint James students!!!
