Next Sunday will be the final Pastor's Class for this academic year. All are welcome, even if you haven't attended any of the previous classes. We will be winding up our series on the main themes of the Catholic Church's social teachings, part of the doctrine of the Church that is widely misunderstood yet more-than-ever in need of understanding and application. Specifically, our focus will be on the topics of **Solidarity** and **Care for God's Creation**. If time permits, we will also discuss ideas for future adult faith formation offerings and Pastor's classes.

+++++
Please pray about your choices for new members to serve on our Parish Pastoral Council as we prepare for our election/selection process at all Masses next weekend. Every parishioner on our ballot is well qualified and willing to serve and we appreciate their openness to be considered. Please remember that our Parish Pastoral Council Constitution calls for one person to be elected by majority and another to be selected by lottery. This leaves room for both the will of the people as well as for someone less known but nevertheless gifted and called having a chance to serve. All registered members of the parish eighteen years-old or older are eligible to vote.

*If you will not be present next weekend, you may call the parish office this week to arrange to complete an absentee ballot.

+++++St.

Isidore was born in the 12th century into a poor and humble family in Spain. From his boyhood, he labored at the DeVargas Estate as a farmhand. Isidore prayed to the Good God, to the saints and his guardian angel daily as he worked in the fields. It was his custom to arise before dawn and attend daily Mass and adore God in the Most Blessed Sacrament in Madrid. Isidore often came late to work but the owner had great respect for him because the holy angels helped him plow the fields. His vocation was to the married life and his wife was Maria Torribia, a pious maid servant. After their infant son died, they dedicated their lives

to the service of God and neighbor. This pious couple was very poor, yet they gave of what they had to those who were even poorer.

Creator God, watch over the members of this community as we strive to appreciate the wonders of the natural world that you have given us. St. Isidore drew others to value nature; may we never cease to be impressed by the glories of your creation. We pray this in the name of Jesus Christ the Lord.

Amen.

CAPITAL CAMPAIGN PRAYER

Humble builder St. Joseph, who dared to believe that the impossible was possible, come with your intercessory power to our Light on a Hill vision for the future.

The example you set for us in caring for Mary and Jesus illumines our responsibility to care for your Church on earth.

We pray that what we plan and implement is good and pleasing to the Father and in accord with God's will.

We pray through Christ Jesus the Lord, whose grace has made His people the light of the world and a city set on a hill not to be hidden.

Amen.

Call the Parish Office this week if you require an absentee ballot

Number of Years at St. Ann's: 5 years

Occupation: Airline Pilot

Children's Names: Lauren, Jill, & JD

Favorite thing about being Catholic: My favorite thing about being Catholic is the grace given through the sacraments.

The greatest challenge you see at St. Ann's in the next 3 years: I think our greatest challenge is also a great blessing, and that is the explosive growth that we are seeing at our parish.

Matt Brandt

Spouse's Name: Kate Brandt

Number of Years at St. Ann's: Nearly 40 Years

Occupation: Physical Therapist at BSA Hospital

Favorite thing about being Catholic: We are Universal and consist of so many diverse people of One Faith, rooted in the Sacraments.

The greatest challenge you see for St. Ann's in the next 3 years: With the goal to grow "larger" in terms of space, we must continue to grow "deeper", to serve and minister to all parishioners, and ready ourselves for the great things we are praying for to happen at St. Ann's.

Marla Ehly

Number of Years at St. Ann's: 3 years

Occupation: CONSOR Engineering

Children's Names: Brynn, Bristol, & Brady

Favorite thing about being Catholic: I grew up as a part of a large family in Nazareth and enjoyed the Catholic community and consider the "community" to be the best thing about being Catholic.

The greatest challenge you see at St. Ann's in the next 3 years: St. Ann's is a great community and is in a real state of growth. I look forward to supporting this growth in any way possible while continuing to bring everyone together in this Catholic faith family.

Randy Hochstein

Spouse's Name: Marita Hochstein

Number of Years at St. Ann's: 32 years

Favorite thing about being Catholic: The Eucharist - the Body & Blood of Christ who established His one true Church, which I am blessed to have been born into.

The greatest challenge you see at St. Ann's in the next 3 years: Our building project, meeting the spiritual needs of our ever-growing number of parishioners, & providing a vibrant youth program.

Barbara Kline

Spouse's Name: Tony Kline

Number of Years at St. Ann's: 1 year

Occupation: Automotive Repair Shop Owner

Children's Names: Alex, David, Isaac

Favorite thing about being Catholic: My favorite thing about being Catholic is the rich history of the Faith.

The greatest challenge you see at St. Ann's in the next 3 years: The culture of indifference that we are living in now and that a large percentage of our younger generation is adopting.

Blake Nixon

Spouse's Name: Kim Nixon

Number of Years at St. Ann's: 3 years

Occupation: Technology Teacher & Registrar at Holy Cross Catholic Academy

Children's Names: Hanna, Shelbi, and Abby *Grandchildren:* Charlie & Gabriel

Favorite thing about being Catholic: After coming into the Church in 1994, the Eucharist is still what I love most about being Catholic. Because of the Eucharist, no matter where I attend Mass, there is always that feeling of "home".

The greatest challenge you see at St. Ann's in the next 3 years: The biggest challenge has already begun, but will continue to be the capital campaign. This is a long-term project and then parish will have to continue to come together to see its completion.

Lynette Rickwartz
