People often wear masks during Mardi Gras festivities that come just before Lent. Masks symbolize the way we often try to hide our sinfulness or our true nature. Lent is a time of taking off our masks, of examining our true selves, of being real before God so that we can come to understand that God knows us fully, forgives us, loves us, & encourages us to grow & become all we were created to be. Join us at the Youth Rally as we examine ways to remove the Masks in our life to become the beloved one God intends us to be!
