NCHS School Advisory Board

HAVE YOU EVER WONDERED WHAT THE NEWARK CATHOLIC SCHOOL ADVISORY BOARD DOES?

WHAT WE DO: In an effort to carry out the mission of the Catholic Church the School Advisory Board is distinguished as part of the local Christian education community. The School Advisory Board works with the Principal in providing quality spiritual and academic Catholic education for students. It is a collaborative model that engages and empowers parents and lay constituents to have a voice in the future of their schools.

ROLE OF THE SCHOOL ADVISORY BOARD

The School Advisory Board members serve Newark Catholic High School by offering time and talent to enable the school in pursuing its mission of education in the Catholic Church. The School community can expect the Board to:

- Review general policies and suggest areas where policy change would be helpful
- Review and recommend means to finance a viable quality education program
- Recommend policy
- Develop marketing strategies

In brief the NCHS SAB is an advisory body concerned with educational programs at Newark Catholic High School, Newark, Ohio, subject to such regulations that proceed from the Diocesan Board of Education and/or the Bishop of the Diocese of Columbus.
