### ***INCREASED OFFERTORY PROGRAM***

Father Greenleaf is announcing the beginning of an Increased Offertory Program that will be very important to the life of our parishes. Our goal with this program is for each of our parish families to make a planned, intentional and meaningful financial commitment to their parish. All parishioners are asked to reflect on the great gift of our faith, the significance of their parish in their lives, and our call to be good Stewards of this church community. Together we will be successful in this important parish appeal!

**In the coming weeks each of our registered households will receive in the mail a brochure that contains information about the program, and a Commitment Form.** Please keep in mind that your generosity to this program will have a significant impact on your parish for generations to come. All of us are being asked to increase our regular (weekly, monthly, etc.) contributions as a way to strengthen our entire parish.

The weekend of Saturday & Sunday, October 6 & 7 has been designated as *Commitment Weekend*, when all parishioners are asked to make a prayerful response to this request by completing and returning a commitment form during Mass.

If you are going to be out-of-town or unable to attend Mass on Commitment weekend, please return your Commitment Form to the parish office or simply place it in the collection basket the following weekend. If you would prefer, it can also be mailed to the parish.

*Our Parish Community is a reflection of each of its members.  
Our generosity will determine what we can do or cannot do.  
A small sacrifice will make a big difference!*
