

# WRESTLING

Little Falcons Wrestling is an introductory, competitive program hosted by the Faribault Wrestling Association and the Faribault High School Varsity Wrestling Program. Coaches and student athletes from the varsity wrestling program will teach you moves that will help you be successful in a competitive wrestling match.

This program includes practices after school at the elementary school you attend, two dual meets for each school and concludes with an Individual City Championship at Faribault High School.

This is a Faribault Community School (FCS) program in which students must meet (Minnesota Statutes, section 124D.68, Subdivision 2). Please note the following criteria students must meet in order to enroll in Falcons Beyond. Students need to follow the established FCS rules:

- Follow verbal instructions and directions provided by program staff and supervisors;
- Demonstrate age-appropriate cooperative play and work behaviors (i.e., taking turns, sharing, etc.) in both small and large group activities with minimal adult supervision;
- Work independently without disturbing others when assigned individual tasks;
- Safely and successfully transition from one activity to another, and from one location to another with minimal adult supervision; and
- Refrain from hitting, kicking, biting, and other forms of physical aggression toward other students and staff.

Health Disclaimer: Health Services are not staffed during this event. This event is not affiliated with normal operating school staffing. Staff do not have access to Health Information filed with Faribault Public Schools Health Services. If your student has a medical need that requires intervention or treatment, inform the Community School Coordinator.
