Campaign Update

We received the bids back for Phase I of our construction. This includes site work in the area around the parking lot and the foundation work. This bid package does not include putting up the walls and so forth. Normally this might be bid all at once, but we broke this out so that we could get started as soon as possible before the winter sets in. Overall, we were pleased with the bids that were submitted. It's about where we estimated it to be, and as a whole, is slightly less than the budget. That's good news, of course, but there are still many other things to bid out in the future. But it's at least a good first step.

We have begun the process of asking those who would perform the work to give us an idea of how much we would save if we moved Mass to the gym. We still don't know the answer to that question. I know that everyone is eager to know that, and I will certainly let you know as soon as I hear; but keep in mind that if we did vacate the church, it would NOT be until after Christmas.

Alternative to Mass Intentions NEW! at Holy Family

One of the things that is often a source of frustration to parishioners, not just here, but every parish, is that Mass intentions are often booked for the day they would like, or a Mass might not even be available for months. That's why we moved to a system that only allows the Mass intention book to be opened up six months at a time; so if you experience the loss of a loved one, you don't have to wait so long to get a Mass.

Another option we are going to offer, beginning this November and going forward from here on out, is to remember your loved one (or any intention you have) by paying for the Sanctuary candles to be lit in either the Adoration Chapel or in the church Sanctuary. The suggested donation will be \$25. We hope that will alleviate some of the demand that exists for Mass intentions. Of course, the best thing we can do for our deceased loved ones is to offer them a Mass, but if one is not available, this is a nice alternative. You may notice that this is something done in other Catholic churches, as well, and so I thought it might be nice to offer it here, as well. You can contact Kristin in our office if you are interested in reserving a week.

Confirmation date!

We just received notice that we will have our Confirmation on **Sunday, March 1 at 1:00 PM**. Keep all our school & RE Eighth Grade students in your prayers as they prepare, for this most important sacrament. As we have done in the past, we will cancel our 12:30 PM Mass on that Sunday.

Healing Mass Next Week

We have our healing Mass with Fr. Ubald next week. Be sure to make it a priority to come to this powerful event. Fr. Ubald travels the world bringing his message of healing, and you will not want to miss him tell his powerful story of healing and forgiveness. Be sure to bring those you know who are in need of healing, whether that is physical, mental, emotional or spiritual. **It will be on Tuesday, October 22 at 6:30 PM in the church.**

Ad Majorem Dei Gloriam,

Fr. Kaim, S.T.L.

Mass with Healing Prayers

**Tuesday, October 22 at 6:30 p.m.
Holy Family Church, Rockford**

All are welcome to join Reverend Ubald Rugirangoga as he celebrates a special Mass with Healing Prayers at Holy Family. The evening will begin with the Holy Sacrifice of the Mass followed by Exposition of the Blessed Sacrament and a procession through the sanctuary.

Thousands have gathered to pray with Father Ubald at the National Shrine of Our Lady of Good Help near Green Bay, Wisconsin, and we are honored to have him bring his ministry of healing, forgiveness and reconciliation to St. Gerald's. Come pray with us!

To learn more about Father Ubald's ministry and other scheduled events, go to www.frubald.com.

We all know someone in need of healing, whether it be physical, emotional or spiritual. Please share this with your family, friends, and neighbors. All are welcome! Come and pray for others who cannot attend.

Who is Father Ubald?

Father Ubald has been a Roman Catholic priest for 35 years in the Cyangugu Diocese of southeastern Rwanda. He is a survivor of the 1994 genocide in Rwanda, having lost over 80 members of his family and more than 45,000 of his parishioners. Father Ubald first came to the United States in 2009 at the invitation of Immaculée Ilibagiza, fellow genocide survivor and author of "Left to Tell." Since that time, he has brought the power of forgiveness and the love of the living Christ into the lives of countless individuals who have been healed physically, emotionally, and spiritually.

Father Ubald is insistent that all healing comes from God, and that his gift is simply to understand what has been healed. That being said, thousands of healings have occurred through the prayers of this humble priest.

RESPECT LIFE

respect · love · protect

True Death with Dignity - Mary Schmich, *Chicago Tribune*, "Margaret Coleman liked to joke that it took one mother to care for 14 children and now it takes 14 children to care for one old mom. In the 1950's & 60's, a family of 14 kids wasn't remarkable, not in the South Side neighborhood of Beverly (Chicago). Finally, the day came that Marge was alone and determined to stay in her old house until the end, which worked just fine

until, inevitably, it wasn't, leaving her and her children in a quandary familiar to many elderly parents and their children. If taking care of an elderly parent is a common experience, what's not common is how the Coleman siblings managed the challenge of giving their mother the gift of finishing life at home. Each of the 14 children took one 12-hour shift, coordinating their calendars online, conducting teleconferences, and convening in person if there were a crisis. As time passed, Marge's children obliged her one of her final yearnings. They packed up her portable oxygen and her wheelchair and took her to the family cottage in Michigan, where she had gone since she was a girl in the 1930s. They moved her bed next to the front windows so she could see the lake. They threw a party. One week later, she died. As they stood around her hospital bed, they talked about how happy it made them that she could die at home. *'She left us with a smile. She always said that Sundays were for families to be together and it seemed very poignant that she died on a Sunday with her whole family there,' said her daughter.*" (<https://tinyurl.com/y564t7qo>; <http://tinyurl.com/h76mr6m>)

"Americans will also never tire of defending innocent life. We are aware that many United Nations projects have attempted to assert a global right to tax-payer funded abortion on demand, right up until the moment of delivery. Global bureaucrats have no business attacking the sovereignty of nations that wish to project innocent life. Like many nations here today, we in America believe that every child, born and unborn, is a sacred gift from God." (*President Trump to a standing-room-only General Assembly 9/27/19.* <https://tinyurl.com/y6ldh15z>)

"Lord, when did we see You hungry, or thirsty, or a stranger, or needing clothes, or sick, or in prison, and did not help you?"

This is the question the "goats" on the Son of Man's left asked Him in the 25th chapter of Matthew's Gospel. We all remember the Lord's response.

We have many children in our community who are unprepared to meet the bitter cold our Midwestern winters bring. They need coats!!!

*The Knights of Columbus will be collecting clean coats after all Masses on **November 16 & 17**. The coats should be new or gently used, including smaller sizes for infants and toddlers.*

Camino de Santiago Pilgrimage April 2020

It's not about the destination, it's all about the journey. This could be said about life in general, but is very much true when it comes to walking the Camino or The Way of St. James. Fr. Grady will lead a small group to Spain to walk this medieval pilgrimage route **April 20 - May 1, 2020**. ***This pilgrimage is unlike any other pilgrimage.*** The trip will begin in Madrid with a day of touring and then move to Sarria where the walking journey will begin. Each day we will start off in a different small Spanish town where after breakfast we will each set out on the path at our own pace. We will have daily Mass and other prayers to start our day. You will encounter pilgrims from all over the world who are on the same path to Compostela as you will be. Compostela is where St. James is buried in a breathtaking gothic Cathedral.

Why should one consider walking the Camino? Some do it to have time away from their hectic schedules to be with the Lord and hear His Voice (which surely you will as one walks for hours each day through the gorgeous Spanish countryside!). Some people do it to discern what God wants of them in their life. Others do it as penance for their sins, or as an offering to the Lord in hopes that some prayer request will be granted. The reasons to walk the Camino are endless. It is not only a spiritual journey, but a physical and emotional one, as well, as you experience sore feet and a tired body, while at the same time feeling your spirit grow closer to the Almighty each day. At the end of each day, we will enjoy wine and dinner as a group at our hotel and share what joys and challenges we each met that day! It truly will be an exhilarating, holy and soul-moving experience. One cannot walk the Camino and not be greatly affected in a deep way.

Think that you could never survive such a trip? Guess again! We will have check points along the way each day with a bus to take you on to the next hotel to rest for anyone who cannot make the full walk each day. Walk as much or as little as you can. Pick up a flyer in the narthex for pricing and other details, or contact Marcie at marcie.girolamo@comcast.net BUEN CAMINO!

Sweets & Goodies Are Just Around the Corner

The Women's Guild Bake Sale is coming up on **October 26-27**.

No need to wrap or

price (we will do that). Please use disposable containers, label what the item is and whether it contains nuts or peanut butter. Questions? Contact Mary Rita McCarthy, 815-546-3499, mritamc@aol.com
