PASTOR’S CORNER:

Dear Parishioners,
 Last week I alluded to the hope that the construction on the St. Vincent de Paul Center would finally begin. We have indeed received our building permit and the start date is Monday, October 18th. The first order of business is to put a sleeve around the sewer pipes which run under the building so that if the pipe needs to be replaced in the future, this can be done without a lot of disruption. The staging area for the construction will be in the parking lot on the south side of the Pastoral Center where the clothing drop off box is located. That box will be temporarily relocated during construction to be nearer the entrance to the parking lot. During construction, slated to last about six months, the road around the south side of the Pastoral Center will be closed to through traffic. Parking will continue to be available behind the Center.

Major repair work is also scheduled to begin on Monday to the granite steps that lead up to the church at St. Paul. And scaffolding is already in place around Dohony Hall for repairs and restuccoing that building. There is a lot of activity at both campuses so be careful and pray for nice weather this fall.

The men who went on the ACTS retreat were very moved by the experience. Women, your ACTS retreat is coming up soon, Nov. 11-14. Now is the time to sign up.

Thanks to all who participated in our Fall Festival. More on that next week.

Fr. Scott is taking a much needed week away from me this week, also known as a vacation.

Fr. John

VETERAN’S DAY MASS

This year the Veteran’s Day Mass will be held on Thursday, November 11th at our 9:00 a.m. Daily Mass. We will have the St. Paul Choir in attendance and encourage all Veteran’s and their families to attend this special Mass.

DEACON’S NOTE:

Dear Brothers and Sisters in Christ,
 There are a few special Masses that will be celebrated in a few weeks at the beginning of November. On Tuesday November 2nd an All Souls Day Mass will be celebrated at 7:00 pm. We will pray for and remember all those who have gone before us to the heavenly banquet, especially those who have passed away this year. On Thursday November 11th a Veterans Day Mass will be celebrated at 9:00 am. The choir will sing and Fr. Scott Kady will preside at this special Mass where we will pray and give thanks to all the men and women who have served this great country with their military service. All veterans and their families are encouraged to attend.

A special thank you to the St. Agnes Council Knights of Columbus, these men have tirelessly cared for the lawns on St. Paul campus. Every two weeks you can find several members of this council cutting the lawn with push mowers and gas-powered trimmers. You don’t realize how much of a hill that the St. Paul campus sits upon. Regardless of how hot it may have been these gentlemen were always here cutting the lawn. On behalf of the entire parish, THANK YOU.

God Bless,

Deacon George

ADVOCATE FOR PRO-LIFE POLICIES

The House of Representatives recently voted to pass the most radical abortion bill ever. Among other extreme actions, the so-called Women's Health Protection Act would:

- Allow abortion on demand nationwide throughout every stage of pregnancy
- Ban pro-life laws in every state and local government
- Force Americans to support abortions with their tax dollars
- Likely eliminate conscience protections for doctors

Please contact your Representative as soon as possible to express strong, but respectful, disagreement for voting for it, while urging him or her to reconsider support for this radical bill.

Additionally, it is likely that the Senate will also vote on this bill in the very near future. Please also contact your two Senators to strongly urge them to oppose the Senate version of this bill when it comes up for a vote.

Pre-written messages are ready for you to edit or send. It just takes a moment! Access the United States Conference of Catholic Bishops (USCCB) Action Center at <https://www.votervoice.net/USCCB/Campaigns/88618/Respond>

INFANT’S CORNER

PLAGUES: PART 2

In Part 1, Fr. Cyril had been desperately trying to secure funds and permission from his superiors to have the damaged Statue repaired. The Child Jesus had instructed him, “Give me my hands and I will give you peace”. But each time Fr. Cyril received a gift from a grateful benefactor for the needed repairs (as he did on several occasions), his superior used the funds for other “needs”. To make matters worse, the war with the Protestants kept re-occurring as did various plagues. Threats and fear of death were a constant in the lives of the friars and people of Prague. But the wishes of the Child Jesus were not to be denied. Two things occurred to result in the repair of the Statue and to change the heart of the Prior about the Miraculous Statue of the Infant of Prague.

Grieved, but not shaken, Fr. Cyril prayed again in front of the Statue. Soon a benefactor appeared who offered to renew the image to its former beauty. This time the gift was not money, but something that the prior could not use for other purposes. This time the gift were hands carved in wood and covered in wax; the hands that are now raised in benediction over those that visit the Infant of Prague.

And what about the second thing that showed the fulfillment of God’s Plan? This has to do with Prior Dominic who had chosen to neglect the Statue, not only with regard to its repair, but also with regard to its place of honor and devotion within the community of Carmelite friars. The monastery’s livestock was stolen and Prior Dominic sent the friars out to beg for their daily bread. This occasioned even greater misfortune, as they brought back to the monastery the germs of cholera. The plague spread like wildfire through the religious, and even the prior himself was taken ill. Medical teams tried in vain. Prayers were fruitless, until the friars suggested that Prior Dominic join them in begging for a miracle from the Infant. It proved to be the case where the “hand of the Lord had struck, His hand brought healing.” Prior Dominic, at death’s door, humbly confessed his former neglect of the holy image, and with childlike confidence, placed his life in the hands he had been so reluctant to restore. If saved from approaching death, he vowed, he would spread the devotion to the Holy Child of Prague with zeal and deep devotion. The prior lived to fulfill his vow, and furthermore he ordered general devotion to the Infant Jesus in which the entire community would take part, and had the Statue brought into the Church of Our Lady of Victory so that the faithful might take part in the veneration.

So, as can be seen here, God’s plan continues, not so much despite strife and sickness, but sometimes because of it.
