"Everybody today seems to be in such a terrible rush, anxious for greater developments and greater riches and so on. Children have very little time for their parents; parents have very little time for each other, and in the home begins the disruption of peace in the world."

Current Guidelines for Our Lady of Lourdes Parish

Bishop Brennan has asked all of us to wear a mask at Mass and whenever we gather indoors.

Every other pew is roped off on one side of the church to allow for distancing.

Do continue the practice of hand sanitizing upon entering our buildings and do stay home if you are experiencing any illness, especially respiratory illnesses!

No one is required to share private health information, including vaccine status, and no one is required to give reasons for their health decisions.

As Bishop Brennan has said, this tense time requires our charity, patience, and prudence.

We must continue to respect each other! There will be an end to this 'season of trial.'

For human beings it is impossible, but not for God. All things are possible for God.
